Stevie Wonder

**8 p.m. on CBS
MacGyver**

Tonight's episode, "Abduction & Memory & Time & Fireworks & Dispersal," marks the series finale of this CBS reboot of a classic 1980s action series. Worse news for fans: The hour already had been shot before CBS lowered the ax, so don't expect much in the way of closure. This CBS do-over has seen a 22 percent decline in ratings from viewership last season, as well as some behind-the-scenes production turmoil. Title star Lucas Till is backed up by Tristin Mays, Justin Hires, Meredith Eaton, Levy Tran and Henry Ian Cusick.

**8 p.m. on LMN
Movie: Daddy's Perfect Little Girl**

The death of her adoptive mother two years ago shook up young Ella's (Hattie Kragten) world, but now, at age 12, she's settled into a contented life with Nolan (Matt Wells), her doting and much-adored adoptive father. Ella sees this safe, happy existence threatened again, however, when Nolan meets and begins seeing a new woman with a 14-year-old son, a situation that threatens Ella's happiness on two separate fronts, in this 2021 thriller. Tracy Shreve also is featured.

**9:08 p.m. on TDC
Bering Sea Gold**

Several new claims are up for grabs, as some familiar old faces return to the "wild west" of Nome, Alaska for lucky (?) Season 13 of this hit docuseries. In the premiere, "Gold-slingers," Kris Kelly's Elim plan hits a hiccup, while Vernon Adkison wrestles to assemble his dream team. Elsewhere, Emily Riedel searches for her own claim, while Zeke Tenhoff attempts an ambitious creation with huge payoff potential.

**11 p.m. on AMC
Cursed Films**

This docuseries, which looks at iconic horror movies whose casts and crews seem to have been plagued by misfortune and tragedy, returns with an episode devoted to William Friedkin's 1973 film adaptation of William Peter Blatty's bestselling novel "The Exorcist." The film's release was surrounded by controversy, as reports of fainting theatergoers and mysterious on-set accidents raised questions as to whether or not the film itself was intrinsically evil. Another episode devoted to the 1976 thriller "The Omen," immediately follows.
