HOROSCOPES

by Stella Wilder

WEDNESDAY, APRIL 28, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are a rather serious-minded individual who others may brand "dour" because of your penchant for thinking things through and avoiding any sort of enjoyment or celebration that you may feel is inappropriate or premature. The truth, however, is that in your private life you really do know how to cut loose, and you've even been known to be the life of the party -- now and then.
THURSDAY, APRIL 29
TAURUS (April 20-May 20) -- You may be called upon to apply your particular expertise to a problem that has appeared quite suddenly. (Some other work may have to wait.
GEMINI (May 21-June 20) -- You can combine business and pleasure in a way that is unique to you, and no one else is likely to criticize or follow you down the path you're on.
CANCER (June 21-July 22) -- You must

take the time to ensure your physical and mental well-being. Don't let others demand so much that you lose track of yourself.
LEO (July 23-Aug. 22) -- Your way of looking at certain things might leave others shaking their heads in disbelief -- but you know what works for you, and this certainly does!
VIRGO (Aug. 23-Sept. 22) -- You've been waiting for someone else to give you updated information for long enough; it's time to get down to business -- right now!
LIBRA (Sept. 23-Oct. 22) -- What you do today is going to involve some risk, but you're able to lessen the chances of any lasting harm by doing things in the right order.
SCORPIO (Oct. 23-Nov. 21) -- You'll have the chance to work closely today with someone whose methods have long interested you -- but you mustn't expect immediate results.
SAGITTARIUS (Nov. 22-Dec. 21) -- You can dedicate a little time today to someone else's needs, and he or she will generously return the favor as soon as possible.
CAPRICORN (Dec. 22-Jan. 19) -- You may be getting stuck in the same two or three areas today as you try to cover a lot of new ground. Perhaps you're being too ambitious.
AQUARIUS (Jan. 20-Feb. 18) -- Take care that you aren't so enthusiastic today that you dominate all conversation. You must give others a chance to share thoughts and ideas.
PISCES (Feb. 19-March 20) -- Are you trying too hard to do too much when, in fact, a more limited approach would win you the day.
ARIES (March 21-April 19) -- Personal issues come to the fore today, and you may have to set aside a professional project to deal with them. A friend lends aid.
