HOROSCOPES by Stella Wilder

TUESDAY, MAY 4, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of the most attrac-
tive and charismatic individuals born under
your sign, and you know how to change the
dynamic of a room simply by entering it. Is
this intentional or just something that hap-
pens as a matter of course? It's likely both -- a
natural phenomenon that you will learn to
use to your advantage again and again, both
personally and professionally. You are rather
adventurous.
WEDNESDAY, MAY 5
TAURUS (April 20-May 20) -- The impos-
sible is nothing to be afraid of today. Indeed,
if you study it closely, you'll discover it may
not be impossible after all!
GEMINI (May 21-June 20) -- Pay atten-
tion to what others are doing today to avoid
the pitfalls you've fallen prey to in the past.
You can't afford to repeat such mistakes!

CANCER (June 21-July 22) -- You may
not have what it takes to do what someone is
doing today, but your own capabilities allow
you to do something worthy of note.
LEO (July 23-Aug. 22) -- Communication
is more than the exchange of ideas or infor-
mation; today, how you say what you have to
say is as important as the message you send.
VIRGO (Aug. 23-Sept. 22) -- You can
combine style and substance in a way that is
entirely new to you, and you'll have a good
deal of fun in the process. You win a prize!
LIBRA (Sept. 23-Oct. 22) -- You can prove
quite inspirational to those who are in the
mood to listen to what you have to say -- but
not everyone will be, alas.
SCORPIO (Oct. 23-Nov. 21) -- Others are
willing to listen to what you have to say and
follow your instructions, but you may not
wish to be in charge today.
SAGITTARIUS (Nov. 22-Dec. 21) -- You

needn't stick to your usual routine today if
you are inspired to take a different approach.
You must have a good reason, however!
CAPRICORN (Dec. 22-Jan. 19) -- You're
going to have to follow the rules today when-
er or not you like it, but fortunately they seem
to "speak" to you in the right way.
AQUARIUS (Jan. 20-Feb. 18) -- Your own
personal desires are not in the spotlight
today. There is much to do of a basic nature;
dedicate yourself to getting things done!
PISCES (Feb. 19-March 20) -- Your pro-
ductivity is on the rise today, and you may
have trouble, at first, keeping up with your-
self. You'll hit your stride very soon.
ARIES (March 21-April 19) -- You are
expected to keep up the pace, but that may
not be possible today in the face of certain
dangers that you simply cannot avoid.
