HOROSCOPES by Stella Wilder

WEDNESDAY, MAY 5, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of the most solid and insightful thinkers born under your sign -- but that doesn't mean you can't swing into action and be met with success through direct and daring involvement in this, that or the other thing. While you like to think of yourself as something of a philosopher, you're never satisfied to sit back and watch others enjoy all the fun -- or get all the glory.

THURSDAY, MAY 6
TAURUS (April 20-May 20) -- You'll enjoy a review of sorts that allows you to look back over past achievements. Which do you want to repeat? You'll have the opportunity.

GEMINI (May 21-June 20) -- You may face an issue that is far more emotional than you had anticipated today. A friend helps you see things through a clear lens.

CANCER (June 21-July 22) -- You may be pulled into a situation against your will, but getting out of it will prove easier than expected. Don't be taken by surprise.

LEO (July 23-Aug. 22) -- You may have to come between two conflicting parties today in order to keep the peace and ensure that no war will break out in the days to come.

VIRGO (Aug. 23-Sept. 22) -- Observe what goes on around you with care today and you'll be ready to jump in when the time comes. Some of the rules may be hard to comprehend.

LIBRA (Sept. 23-Oct. 22) -- You don't want to leave an unpleasant chore for someone else today, or you're likely to have more of the same to deal with in the days to come.

SCORPIO (Oct. 23-Nov. 21) -- You will want to promote fair and equal treatment of everyone with whom you come in contact today, as you will be treated as you treat others.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may not anticipate quite the profit that others are expecting -- but, in fact, you're likely to be rewarded more handsomely than they are.

CAPRICORN (Dec. 22-Jan. 19) -- The closer you look at a certain situation, the more questions you'll be able to answer, especially if you see through another's eyes.

AQUARIUS (Jan. 20-Feb. 18) -- Someone's behavior is almost sure to rub you the wrong way today, not because it breaks any rules, but because it pushes your buttons!

PISCES (Feb. 19-March 20) -- You will be forced to consider something that you had dismissed in the past -- and this will mark the beginning of a significant shift.

ARIES (March 21-April 19) -- You'll want to spend some time behind the scenes today so that when everything is happening all at once it does so without causing a stir.
