TUESDAY, MAY 25, 2021  
YOUR BIRTHDAY by Stella Wilder  
Born today, you have an uncanny way of getting others to do your bidding -- but this in itself is neither good nor bad. How you choose to use this skill in specific situations will make all the difference. You must know that you will be making decisions again and again throughout your life that determine, one after another, just what your legacy will be. Whether it be built upon goodness, generosity, philanthropy, kindness or something else entirely, your reputation is never so fixed that you cannot, with the right move or the wrong choice, change how other people see you.

WEDNESDAY, MAY 26  
GEMINI (May 21-June 20) -- Your plans seem to be coming together, but there is one detail that you aren't able to control. This and other variables make things interesting!

CANCER (June 21-July 22) -- You must make good use of the time you have available today. If you find yourself spinning your wheels, you'll have to shake things up a bit.

LEO (July 23-Aug. 22) -- Your hidden desires are rising to the surface at this time, and you may have difficulty keeping them from announcing themselves today.

VIRGO (Aug. 23-Sept. 22) -- Give another a chance to shine today and you'll shine as well. Indeed, your own generosity is the best gift you can give yourself!

LIBRA (Sept. 23-Oct. 22) -- An early start allows you to build momentum quickly. Get ahead of the pack and you'll be afforded a healthy and lasting perspective.

SCORPIO (Oct. 23-Nov. 21) -- You can learn much today from someone who is a recognized expert -- and in the process, you can demonstrate what you know as well.

SAGITTARIUS (Nov. 22-Dec. 21) -- Working in tandem with a certain someone is both satisfying and frustrating -- and both personal and professional needs come into play.

CAPRICORN (Dec. 22-Jan. 19) -- Your ability to recognize what to do precisely at the right moment will serve you well today. You prevent someone's error.

AQUARIUS (Jan. 20-Feb. 18) -- The simpler the explanation, the more likely it will be believed by those in positions of authority. Don't overcomplicate key issues!

PISCES (Feb. 19-March 20) -- Though you have been sure that someone has been trying to sabotage a personal project, the truth reveals itself today: You're to blame!

ARIES (March 21-April 19) -- You needn't experience a setback today simply because of a minor error. Accept it, fix it and move on; it doesn't have to be made into a major issue.

TAURUS (April 20-May 20) -- Look around today and you'll surely derive inspiration from much that surrounds you at just the right times. Your creativity surges.
