HOROSCOPES by Stella Wilder

FRIDAY, MAY 28, 2021

YOUR BIRTHDAY by Stella Wilder
Born today, you have been endowed with some tremendous abilities and some widely varying interests that you are certainly going to want to explore throughout your lifetime. It's not likely that you will follow a wholly traditional course as you establish yourself professionally; you will want to be free to explore things as they happen to you and occur to you, and you don't want to be restricted by any sense of what you should do or by the expectations others may have of you.

SATURDAY, MAY 29
GEMINI (May 21-June 20) -- You can encourage others today without risk of setting yourself back one bit. The key is to work together and not see others as rivals.

CANCER (June 21-July 22) -- Now is not the time to split your focus in any way, but someone may require you to shift it for a time.

LEO (July 23-Aug. 22) -- You have some thing new lined up, but you're not quite sure yet whether it will satisfy you. It costs little or nothing to give it a try!

VIRGO (Aug. 23-Sept. 22) -- You may be unusually moody today, but if you do things correctly, you should be able to avoid running afoul of anyone else as a result.

LIBRA (Sept. 23-Oct. 22) -- Your assessment of someone is likely to say more about you -- but not everyone shares this view.

ARIES (March 21-April 19) -- You run the risk of tripping over yourself today as you try to do more than you had originally planned -- and you can't afford a slowdown!

TAURUS (April 20-May 20) -- Your reputation is at stake, whether or not you realize it. What you do today is likely to be remembered by both your admirers and critics.

CAPRICORN (Dec. 22-Jan. 19) -- What you've planned is likely to come to pass before the day is out, but you mustn't be tempted to rush things. Haste makes waste!

AQUARIUS (Jan. 20-Feb. 18) -- You must heed the warnings of someone whose view of the future is unimpeded. If you do what you are told, you can minimize losses.

PISCES (Feb. 19-March 20) -- You'll accept any and all extras that come your way today, as you feed your getting what you're paid for -- but not everyone shares this view.

ARIES (March 21-April 19) -- You run the risk of tripping over yourself today as you try to do more than you had originally planned -- and you can't afford a slowdown!

TAURUS (April 20-May 20) -- Your reputation is at stake, whether or not you realize it. What you do today is likely to be remembered by both your admirers and critics.
