HOROSCOPES by Stella Wilder

SATURDAY, MAY 29, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you are not one of those whose later success is forecast or foretold when you are young; indeed, you may at times have been written off as one who will likely accomplish little if anything at all by those "in the know" -- and yet, as if by some magic, you will transform yourself into one who has the potential to accomplish a great deal of note, and to make a name for yourself that lives long after you are but a memory. You have a keen, sometimes wicked sense of humor.

SUNDAY, MAY 30
GEMINI (May 21-June 20) -- Set goals for yourself that you can easily wrap your head around, as you want to focus on the doing, not the planning. A friend can show you how.

CANCER (June 21-July 22) -- You may have to embrace an idea that was foreign to you not so long ago -- but this will allow you to broaden your horizons in a good way.

LEO (July 23-Aug. 22) -- You mustn't expect to keep things going at a steady pace today, as there is much to slow you down and speed you up in an almost random manner.

VIRGO (Aug. 23-Sept. 22) -- That which is most useful to another may not work the same for you, and you're going to have to do some digging to find what you really need.

LIBRA (Sept. 23-Oct. 22) -- You've been following the rules and getting nowhere -- or at least that's how it seems to you now. You may be tempted to break those rules today.

SCORPIO (Oct. 23-Nov. 21) -- Failure isn't likely to happen by accident today, but rather as the inevitable result of faulty planning. You have to get things right!

SAGITTARIUS (Nov. 22-Dec. 21) -- You may feel as though you have slipped farther and farther from your center, but today you'll have the chance to recover your balance.

CAPRICORN (Dec. 22-Jan. 19) -- You mustn't expect to get something for nothing today, though you needn't pay full price either. You can work a deal today, no doubt.

AQUARIUS (Jan. 20-Feb. 18) -- A moral issue comes to the fore today, and it may fall to you to guide the thinking of those who are new to this way of looking at things.

PISCES (Feb. 19-March 20) -- You'll know when things are not quite "in sync" today -- but what you can do about it is limited. Take time to shape your actions with care.

ARIES (March 21-April 19) -- You've been waiting for something to make sense to you for some time, and today you're not willing to let it go. Talk freely and honestly.

TAURUS (April 20-May 20) -- You'll be surprised by someone's willingness to do things your way today -- until you realize why. You can make an alternate plan.
