Stel Pavlou (left) and Jess Phoenix

8 p.m. on FOX MasterChef

Gordon Ramsay's hit series enters its 11th season with a special "Legends" edition, in which head judge Ramsay — along with the returning chef Aarón Sánchez and restaurateur Joe Bastianich — welcomes a rotating series of food stars, including Emeril Lagasse, Paula Deen, Roy Choi, Nancy Silverton and Masaharu Morimoto. The latter guests will help evaluate the performance of 15 of America's best home cooks as they vie in a series of challenges for a \$250,000 grand prize, plus a complete Viking-brand kitchen, along with other perks.

9 p.m. on TDC Hunting Atlantis

British writer Stel Pavlou and volcanologist Jess Phoenix follow a trail of new evidence as they embark on a quest to rediscover the lost city of Atlantis in this new docuseries. Pavlou, who recently published a new theory on the fate of the legendary civilization near the beginning of the fifth millennium, and Phoenix visit such destinations as the Black Sea, where they examine a 7,000-year-old skeleton buried in gold treasure, and to a mysterious Greek island where some advanced civilization once built a massive marble pyramid.

10:01 p.m. on A&E Court Cam Presents Under Oath

As a rule, attorneys for a defendant will advise their client not to take the stand, but this new unscripted courtroom series tells the story of a crime from the unusual vantage point of the accused, as he or she testifies in their own defense. Such a move generally occurs when all else fails, since such testimony leaves the defendant open to an often merciless cross-examination from the prosecution. Hosted and executive produced by Dan Abrams, this series takes an unfiltered look at raw and real cases.
