## Ellen Pompeo

### 8 p.m. on ABC Station 19

Maya (Danielle Savre) belatedly addresses some unresolved family issues, while the crew takes matters into their own hands when they run into a life-or-death situation on a response scene, in the Season 4 finale, "Forever and Ever, Amen." Meanwhile, the marriage of Andy and Sullivan (Jaina Lee Ortiz, Boris Kodjoe) is put to the test. Chandra Wilson makes a guest appearance in her "Grey's Anatomy" role of Dr. Miranda Bailey; Rick Worthy and Svetlana Efremova also guest star.

#### 8 p.m. on FOX Beat Shazam

Oscar-winning actor and comic Jamie Foxx returns to host Season 4 of this hit game show, in which three teams of two vie against one another and each other to be the first to identify popular songs, while also playing against the titular song identification app. At stake is a shot at winning a million dollars, but this season also will feature a special episode in which the players vie to win \$2 million. Also new this season is a celebrity edition in which stars will play for charity.

#### 9 p.m. on ABC Grey's Anatomy

"Someone Saved My Life Tonight" is the title of the Season 17 finale, but it's series star Ellen Pompeo who recently made millions of "Grey's" fans very happy by signing on for at least one more season on the longest-running medical drama in TV history. Tonight's episode opens on the wedding day of Maggie and Winston (Kelly McCreary, Anthony Hill). Meanwhile, Meredith (Pompeo) assumes a new role at the hospital, while Jo (Camilla Luddington) makes a life-changing decision.

#### 10:01 p.m. on ABC Rebel

Rebel (Katey Sagal) uses every strategy she can think of to persuade a key witness to testify in the case against Stonemore Medical in a new episode called "It's All About the Chemistry." Elsewhere, Lana (Tamala Jones) confronts Grady (John Corbett) over someone from his past. The large guest cast includes Matthew Glave, Daniella Garcia, Abigail Spencer, Jalen Thomas Brooks, Jeff Doucette, Nina Millin, Leonard Roberts, Peter Paige and Tyee Til-ghman.
