**HOROSCOPES** by Stella Wilder

SATURDAY, JUNE 5, 2021  
 YOUR BIRTHDAY by Stella Wilder  
 Born today, you like to do things a certain way, and you're not easily dissuaded from your point of view -- about your behavior, beliefs or the way you look at the world. On the other hand, when you are faced with clear and incontrovertible evidence that is contrary to your way of thinking, you can certainly be persuaded to change your mind, and you will do so without objection. Still, you are not all that fond of change of any kind, and once you have established a pattern of behavior, you're likely to stick to it.

SUNDAY, JUNE 6  
**GEMINI (May 21-June 20)** -- You're likely to put on quite a show today as you try to juggle more than you usually take on. In the end, you'll attract some praise.

**CANCER (June 21-July 22)** -- Are you ready to take on something new today? Others are likely to come to you with a request that you simply cannot turn down.

You're ready!  
**LEO (July 23-Aug. 22)** -- Take the time to get in touch with all those who will be affected by a change in plans. You don't want to leave anyone out in the cold, do you?

**VIRGO (Aug. 23-Sept. 22)** -- You can demonstrate just how clever you are today without attracting any undue attention to yourself or others who are helping you out.

**LIBRA (Sept. 23-Oct. 22)** -- You may find yourself in a situation that requires you to leave one thing behind in order to acquire another -- but it's more than a fair trade!

**SCORPIO (Oct. 23-Nov. 21)** -- Appointments must be made today as quickly as possible to ensure that you get in and get things done before there are no more slots available.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- You may have to clarify information that is usually taken for granted today. Be clear and efficient as you send messages along.

**CAPRICORN (Dec. 22-Jan. 19)** -- You are committed to something for the long haul, true, but you will still have time to engage in something just for the fun of it.

**AQUARIUS (Jan. 20-Feb. 18)** -- Quality and quantity must be balanced with great care today, as too much or too little will make it impossible for you to do the best job.

**PISCES (Feb. 19-March 20)** -- You'll get approval for a project that is still in its infant stages -- but by day's end something will be clear that accelerates your efforts.

**ARIES (March 21-April 19)** -- Others will be glad to have you on board once you say "yes" to someone's business proposition. There is a personal element involved, too.

**TAURUS (April 20-May 20)** -- While busying yourself with immediate concerns, you're going to have to think about something that cannot happen for many weeks -- or months.
