HOROSCOPES by Stella Wilder

SUNDAY, JUNE 6, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are not one to turn to when it's time to make a firm decision with little time for thought or consideration. Rather, you much prefer to apply your considerable brainpower to a problem, whether it be practical or theoretical, before you are expected to come up with an answer, solution or plan. On a personal level, you like things to be in their place, and you are likely to set aside a precise spot for everything in your home, be it a knickknack or an essential item used every day in your pursuit of personal contentment or professional advancement.

MONDAY, JUNE 7
GEMINI (May 21-June 20) -- A request made at just the right time today might actually receive the attention it deserves, but otherwise you can expect it to be overlooked.
CANCER (June 21-July 22) -- Not all news is good news, nor is all news bad. Today, some things fall squarely in the middle, and it all depends on what you do with it.
LEO (July 23-Aug. 22) -- You'll receive part of an important message today, but you'll have to wait patiently for part two. Make use of the time between now and then!
VIRGO (Aug. 23-Sept. 22) -- Not everyone is going to respond as expected to what you offer today. You may want to equip yourself with alternatives before starting out.
LIBRA (Sept. 23-Oct. 22) -- You may be able to excuse someone else's behavior today, but you may not be able to excuse your own. You need someone to plead your case.
SCORPIO (Oct. 23-Nov. 21) -- You'll receive reminders, but they're not likely to keep you from forgetting a few things that others consider essential. That's just you!
SAGITTARIUS (Nov. 22-Dec. 21) -- A certain task is likely to be simpler than usual today, while another proves harder. This kind of trade-off continues for a while.

MONDAY, JUNE 7, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are an adventurer by nature, one of those restless individuals who is always on the lookout for the next golden opportunity and willing at all times to follow it wherever it may lead. You are good-hearted, hardworking and always willing to lend a hand to one in need -- but thoughts of your own needs and desires are never far from your mind.
TUESDAY, JUNE 8
GEMINI (May 21-June 20) -- Things may develop in such a way that you are required to do more than expected with little or no warning -- and fewer tools than usual.
CANCER (June 21-July 22) -- You know just what to do when you see others struggling with something you've been through before. Your assistance will surely be rewarded.
LEO (July 23-Aug. 22) -- You're not one to panic in dangerous situations, and today you should be able to help others maintain a calm and cool approach at all times.
VIRGO (Aug. 23-Sept. 22) -- You're not likely to see things quite the way someone else sees them, but if you can talk about it openly, you can keep a conflict from arising.
LIBRA (Sept. 23-Oct. 22) -- Your natural fearlessness sees you through today, even when you're faced with a situation that is wholly unfamiliar. Instincts kick in!
SCORPIO (Oct. 23-Nov. 21) -- Now is no time to dwell on any mistakes you or others may have made. Focus instead on keeping yourself and others going in the right direction.
SAGITTARIUS (Nov. 22-Dec. 21) -- You may have to go much farther than expected today before you are able to stop, look around and see what there is to be seen.
CAPRICORN (Dec. 22-Jan. 19) -- Someone close to you knows what you need today -- but you may not be willing to accept any kind of help just yet. That time will come!
AQUARIUS (Jan. 20-Feb. 18) -- You can solve a very tricky riddle today without much trouble -- but something seemingly quite simple proves too much for you right now.
PISCES (Feb. 19-March 20) -- You'll want to be out of someone's way today when he or she gets moving at full speed. You can't afford a collision of any kind!
ARIES (March 21-April 19) -- You may have to apply far more energy into something today than you had expected -- but you can still remain on an even keel throughout.
TAURUS (April 20-May 20) -- The help you offer another may be no help at all if you're unwilling to step aside when the time comes and let him or her go it alone.
