## HOROSCOPES by Stella Wilder

THURSDAY, JUNE 10, 2021  
**YOUR BIRTHDAY** by Stella Wilder  
Born today, you are known for your bright and positive ideas and for your ability to turn what seems improbable into reality. You don't really know the meaning of the word "no," and what you hear when someone says "no" to you is "I don't want to" -- and that's fine with you, for you don't want to collaborate with anyone who isn't fully engaged, committed and aligned with you in all respects.

**FRIDAY, JUNE 11**  
**GEMINI (May 21-June 20)** -- What seems most important to you may not be embraced in the same way by others -- but a meeting of the minds can close any gap in perception today.  
**CANCER (June 21-July 22)** -- Momentum is your greatest ally today. Once you get started on a project you're not likely to stop until real progress is made.  
**LEO (July 23-Aug. 22)** -- You can make real change today that will propel you along your desired path at a faster pace than ever before, but the decision must be made now.

**VIRGO (Aug. 23-Sept. 22)** -- You don't really trust things that happen automatically, but you cannot deny that they result in certain benefits. Give some a try!  
**LIBRA (Sept. 23-Oct. 22)** -- Your satisfaction is on the rise today thanks to those who have followed your instructions and made something of value in the process.  
**SCORPIO (Oct. 23-Nov. 21)** -- You're doing less than you can, perhaps, but others will surely pick up the slack -- at least for now. Soon you'll have to agree to do more.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- Proof may not come to you today -- or anytime soon -- but you believe wholeheartedly in something that benefits you in many ways.  
**CAPRICORN (Dec. 22-Jan. 19)** -- What starts quickly is likely to slow down suddenly toward midday, and that which was slower than expected picks up at around the same time.

**AQUARIUS (Jan. 20-Feb. 18)** -- You can say a great deal with few words today, provided you are speaking to the right people at the right time. Your plans are solid.  
**PISCES (Feb. 19-March 20)** -- Appearances, as always, can be deceiving today. You must dig deeper than usual in order to uncover the truth about a tricky situation.  
**ARIES (March 21-April 19)** -- With a little help, you can accomplish something today that will make a big difference, not only to you but to all those who are "on your side."  
**TAURUS (April 20-May 20)** -- You may be called upon to do something today that no one else is willing to do. Are you able to jump right in, or is preparation required?
