HOROSCOPES by Stella Wilder

SATURDAY, JUNE 12, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of your sign's "special" people -- the kind who is at once an open book as well as a mystery, the kind who is likely to do a great deal with very little, the kind who is almost certain to be remembered not only for what you accomplish but also for who you are. You are straightforward and brutally honest at times, but then you feel that is a necessary approach to dealing with a world that can be, in its way, brutal to you and others in the first place.
SUNDAY, JUNE 13
GEMINI (May 21-June 20) -- You are able to see through the smokescreen blown in your path today by someone who is dead set against you. Your progress is uninterrupted.
CANCER (June 21-July 22) -- You may have less time than usual today to get a routine job done to your own satisfaction -- but with another's help you can do it.

LEO (July 23-Aug. 22) -- You're going to have to ask for the things you want today; nothing is likely to be offered to you on a platter. Fortunately, your priorities are sound.
VIRGO (Aug. 23-Sept. 22) -- You have a few tricks up your sleeve that you are ready to use at any time today -- but take care you don't end up tricking yourself only!
LIBRA (Sept. 23-Oct. 22) -- The best way for you to approach a certain tricky problem is to do nothing -- yet -- while keeping your eyes trained on what is going on.
SCORPIO (Oct. 23-Nov. 21) -- You're going to have to let someone fail today in order to teach him or her the value of a timely effort. Your help can be harmful!
SAGITTARIUS (Nov. 22-Dec. 21) -- You may require permission today before you can do what you want to do -- but that should only be a matter of asking for it.
CAPRICORN (Dec. 22-Jan. 19) -- Your work is valued and you are trusted, so you may be in a position to ask for more today in the way of responsibility and compensation.

AQUARIUS (Jan. 20-Feb. 18) -- You are keenly aware of something that is fast approaching -- or are you merely fooling yourself? You must gather all available information.
PISCES (Feb. 19-March 20) -- You must take into account the views of another today as you make plans that involve the both of you. Make no assumptions that'll set you back.
ARIES (March 21-April 19) -- You're ready to be impressed by someone else's performance -- but you are also ready to impress others if you're given the chance.
TAURUS (April 20-May 20) -- You feel as though you're being tested in some way today, and this is likely someone's intent. You mustn't let insecurity hold you back.
