HOROSCOPES by Stella Wilder

THURSDAY, JUNE 17, 2021
YOUR BIRTHDAY by Stella Wilder
 Born today, you are not always the most popular person on the block, but you're sure to attract the attention of those around you and inspire some kind of feelings -- and whether they are negative or positive really matters very little to you. You agree with Oscar Wilde that the only thing worse than being talked about is NOT being talked about, and you will always do everything you can to stay in the forefront of people's minds -- and on their tongues, too.

FRIDAY, JUNE 18
GEMINI (May 21-June 20) -- Others may be warning you to play it safe or even lie low today, but you have too much at stake right now and must work to further your agenda.

CANCER (June 21-July 22) -- Though you usually trust your instincts and listen to what your emotions are telling you, today you must do what you are told without question.

LEO (July 23-Aug. 22) -- You're in a position that allows you to see things with greater clarity than usual -- but that's not all you need. You must think fast as well!

VIRGO (Aug. 23-Sept. 22) -- You're eager to see the quality of someone's work increase, and the best way to encourage that is to lead by example. Do so today!

LIBRA (Sept. 23-Oct. 22) -- Others are expecting you to do precisely what you've done in the past when faced with a similar situation -- but you've got a surprise in store.

SCORPIO (Oct. 23-Nov. 21) -- You can do someone a favor that actually does you a great deal of good as well -- though you may have to wait for your most tangible rewards.

SAGITTARIUS (Nov. 22-Dec. 21) -- The familiar attracts you today, surely, but you're likely to be more keenly interested in something that looks brand-new -- but is it?

CAPRICORN (Dec. 22-Jan. 19) -- You'll be dealing with certain self-doubts all day long, but you can likely break free of any kind of restraints you've imposed on yourself.

AQUARIUS (Jan. 20-Feb. 18) -- You may begin something today that could easily get out of hand if you're not able to control things every step of the way.

PISCES (Feb. 19-March 20) -- Communication gets somewhat complicated today when someone fails to reach out to you as expected. Be flexible and understanding.

ARIES (March 21-April 19) -- It may not be easy for you to look at things through another's eyes today, but you must if you're going to enjoy a meeting of the minds.

TAURUS (April 20-May 20) -- The highlights of this day can be shared with others when the time comes -- but you must resist the temptation to embellish. Tell the truth.
