HOROSCOPES by Stella Wilder

SATURDAY, JUNE 19, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are never happy unless you can run from where you are to someplace new and reinvent yourself on the way. It's not that you are trying to run away from yourself -- or anyone else, for that matter -- but rather that you love to be on the move, to explore the farthest reaches of your world and to try new things of all kinds. You are a natural explorer, and you're never daunted by the difficulties of an intended journey.

SUNDAY, JUNE 20
GEMINI (May 21-June 20) -- Unforeseen circumstances are likely to interrupt you at least once today -- but you can be saved if you make yourself available to another.

CANCER (June 21-July 22) -- You don't want to reveal too much today as you unveil parts of a certain project that you've been working on for quite some time.

LEO (July 23-Aug. 22) -- You may be troubled by a sense that things are not quite the way they seem -- and it doesn't help that you've been listening to the wrong person!

VIRGO (Aug. 23-Sept. 22) -- You'll become aware of a certain pattern of behavior that is best broken as soon as possible. Today you can come up with some alternatives.

LIBRA (Sept. 23-Oct. 22) -- You may have more trouble getting out from something that has enveloped you for too long. What you do today, however, helps you tomorrow.

SCORPIO (Oct. 23-Nov. 21) -- Despite the overall clarity of your instructions, there are those who simply cannot get with the program. You'll have to make changes.

SAGITTARIUS (Nov. 22-Dec. 21) -- You receive news that has you doubting yourself and the plans you've made -- but in reality, there's nothing to stop you from moving forward.

CAPRICORN (Dec. 22-Jan. 19) -- You may be able to manipulate time in a new way today, giving yourself a greater opportunity to meet a current challenge.

AQUARIUS (Jan. 20-Feb. 18) -- You'll want to pay attention to what's going on in and around the home today, as family matters come to the fore and questions are asked.

PISCES (Feb. 19-March 20) -- A community effort pays off today, but you may not appreciate how much has been done for at least a few days. You have a crack team!

ARIES (March 21-April 19) -- Your arrival on the scene today may prove to be just in time, as you'll be able to take control of a situation that is getting out of hand.

TAURUS (April 20-May 20) -- Whether you have the advantage or the disadvantage today, honest talk will help you make your way forward. Don't hide from the truth.
