# HOROSCOPES

by Stella Wilder

TUESDAY, JUNE 22, 2021  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you are nothing if not versatile, and your ability to transform yourself, whether slightly or a lot, in ways both subtle and dramatic, will be on full display from an early age -- and you may not know quite how to make the best use of this very special skill right away. Indeed, you're likely to explore all manner of options before you settle on the one that satisfies your craving for hard work, accomplishment, recognition and tangible rewards.

WEDNESDAY, JUNE 23  
**CANCER (June 21-July 22)** -- You are far more involved in other people's affairs at this time than you had expected to be, but you can still get your work done.

**LEO (July 23-Aug. 22)** -- You must be willing to do what is required of you today in order to get certain tasks finished on time and under budget. Try bending the rules!

**VIRGO (Aug. 23-Sept. 22)** -- You may be tempted to follow another down a path fraught with peril today -- so think twice before cutting ties and leaving home.

**LIBRA (Sept. 23-Oct. 22)** -- Your own imagination is playing tricks on you at this time, and today you must do all you can to separate fact from what amounts to fiction.

**SCORPIO (Oct. 23-Nov. 21)** -- You may not know quite what to do today in the face of a development that others are calling dangerous. Yours is a different perspective.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- A recent misstep has taught you much about the situation you now find yourself in today. You can surely avoid repeating that mistake!

**CAPRICORN (Dec. 22-Jan. 19)** -- You cannot rise above the fray today if your thinking goes unchanged. If you correct your perception and attitude, all will be well.

**AQUARIUS (Jan. 20-Feb. 18)** -- Fear can be more dangerous to you today than any

apparent dangers that lie before you. Confidence must not be allowed to wane today.

**PISCES (Feb. 19-March 20)** -- You don't want any more information than what you have at your fingertips right now; anything further will only muddy some already murky water.

**ARIES (March 21-April 19)** -- You're eager to see recent labors begin to pay off, but current circumstances may require you to wait a little longer. Be patient.

**TAURUS (April 20-May 20)** -- You may be mistaken about a certain key issue today, but very soon someone you trust is likely to set you straight. All will be well after that!

**GEMINI (May 21-June 20)** -- You'll want to keep your head down today so that you avoid the kind of conflict that is currently driving a close friend somewhat crazy.
