Rodrigo Medellin

8 p.m. on PBS Nature

David Attenborough narrates "The Bat Man of Mexico," which follows ecologist Rodrigo Medellín as he tries to save the lesser long-nosed bat from extinction. Without these bats, Mexico's most famous export, tequila, faces an equally stark fate: This particular species of bat pollinates the plants from which the liquor is made. Giving these benign creatures a new future requires Medellín to track their epic migration across Mexico, sprinkling harmless UV dust on the bats and then following their glowing quano.

8 p.m. on CW Kung Fu

After a case Evan (Gavin Stenhouse) is working on takes an unfortunate turn, Nicky (Olivia Liang) offers her assistance in the new episode "Choice." Elsewhere, Ryan (Jon Prasida) works up the courage to introduce Joe (guest star Bradley Gibson) as his boyfriend to his parents, while Zhilan and Kerwin (guest stars Yvonne Chapman, Ludi Lin) get a surprise visitor. Tzi Ma, Shannon Dang and Kheng Hua Tan also star.

9 p.m. on CW In the Dark

Murphy, Jess, Felix and Max (Perry Mattfeld, Brooke Markham, Morgan Krantz, Casey Deidrick) are officially on the lam in the new episode "I Know What You Did Last Night," but if they're feeling pressure now, they also know they've just begun their long and desperate quest to stay one step ahead of Josh and Clemens (Theo Bhat, Matt Murray).

10 p.m. on FREE The Bold Type

This female-driven drama wraps up its fifth and final season with a finale called "I Expect You to Have Adventures." After processing several big changes and making some really tough decisions, the three main characters (Katie Stevens, Aisha Dee, Meghann Fahy) are a little surprised but relieved to find their futures looking pretty bright.
