HOROSCOPES by Stella Wilder

SUNDAY, JULY 4, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you have been endowed with a great deal of intelligence and ability, and yet you lack the kind of ambition and motivation that are required of anyone who wants to make the most of his or her endowments. What this means, of course, is that you may not always go after the things you want with the kind of determination that others might, and so you may have to go without more often than you would like.

MONDAY, JULY 5
CANCER (June 21-July 22) -- Honest talk about everything under the sun has you feeling differently today about an issue that is central to your current situation.
LEO (July 23-Aug. 22) -- You'll have good reason to dig deeper today than you have in the past, and what you uncover may inspire you to adopt a new work strategy.
VIRGO (Aug. 23-Sept. 22) -- You're ready

to move to the next level at work, but something going on at home may give you pause. The domestic and the professional are at odds.
LIBRA (Sept. 23-Oct. 22) -- Assumptions you make today are likely to backfire on you tomorrow, so you must base decisions on the solid fact. There's plenty of information available.
SCORPIO (Oct. 23-Nov. 21) -- You realize that you may have to put someone in his or her place today in order to move forward, but is that something you're willing to do?
SAGITTARIUS (Nov. 22-Dec. 21) -- A friend or loved one speaks to you in a way that has you listening to what is said for the first time. Are you ready to make a change?
CAPRICORN (Dec. 22-Jan. 19) -- You're in no mood to let others keep you from the spotlight today, so you must come up with a plan that allows you to take your rightful place.

AQUARIUS (Nov. 22-Dec. 21) -- You're looking for that which is authentic, but it may be harder to find than expected. Take your search to places you've not yet been.
PISCES (Feb. 19-March 20) -- You must take all the time available to you, if necessary, and not assume you must be the first off the blocks and across the finish line.
ARIES (March 21-April 19) -- A missing item can be found today, but you must conduct a search that is carefully organized. A little help wouldn't hurt!
TAURUS (April 20-May 20) -- The more you try to control a certain situation today, the more likely you will be to lose it altogether, so try to adopt a subtle approach.
GEMINI (May 21-June 20) -- You may not be enthusiastic about certain activities before they begin today, but later on you'll realize just how important they are to you.

MONDAY, JULY 5, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are something of a visionary, able to conjure up an alternate reality at the snap of a finger, but that doesn't always mean you can transform it into something real, or benefit from it in any lasting or tangible way. Whether or not your imaginative powers will pay off for you depends much more on your willingness to keep your feet on solid ground even as you engage in flights of fancy and do the work required to specify, prepare and create whatever it is you have envisioned.
TUESDAY, JULY 6
CANCER (June 21-July 22) -- You may receive unexpected and unannounced assistance today from an unusual source. You won't be expected to return the favor -- yet.
LEO (July 23-Aug. 22) -- Working with another may be more complicated today than expected, especially if you haven't yet set parameters that suit both your needs.
VIRGO (Aug. 23-Sept. 22) -- You are expecting something that is not very realistic, and yet it may well appear today simply because you're in a most unusual phase.
LIBRA (Sept. 23-Oct. 22) -- You must guard against any kind of personal injury today -- and that includes the emotional kind. Steer clear of criticism if you can.
SCORPIO (Oct. 23-Nov. 21) -- The value of your actions today may come under question for a time, until others realize something essential that you already know.
SAGITTARIUS (Nov. 22-Dec. 21) -- You may be asked to take part in something that you are not all that enthusiastic about -- but that can change as you "rehearse."
CAPRICORN (Dec. 22-Jan. 19) -- You're eager to give something new a try today -- especially if you think it's going to help you complete something that is long overdue.
AQUARIUS (Jan. 20-Feb. 18) -- Things are likely to heat up early in the day and then calm down appreciably later on -- but much will depend on how adaptable you are right now.
PISCES (Feb. 19-March 20) -- A casual game of chance turns into something much more serious today as you realize that a playmate could easily become more of a partner.
ARIES (March 21-April 19) -- Trouble is brewing and you can avoid falling prey to anyone's malicious intentions simply by paying attention to obvious warning signs.
TAURUS (April 20-May 20) -- You may be caught in a dangerous pattern of behavior that is due, in part, to your inability to see what's right in front of you.
GEMINI (May 21-June 20) -- You can come to another's aid today and help yourself in the process. Others take note -- and that does wonders for your reputation.
