HOROSCOPES by Stella Wilder

SUNDAY, JULY 25, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you are perhaps one of the most competitive individuals born under your sign, and while other Leo natives may give their every thought to the journey they are on, you are far more interested in the destination -- and you credit yourself with accomplishment not because you have tried and learned in the process, but only when you have reached your goals. Your moral structure is actually quite sound, so you will rarely intentionally do others wrong.

LIBRA (Sept. 23-Oct. 22) -- You want to enjoy a little more freedom than you've been afforded of late, but does this mean you must break with those currently in charge? SCORPIO (Oct. 23-Nov. 21) -- You're sure to get a reaction from those who observe you doing what you do best -- but today that reaction may take you by surprise. SAGITTARIUS (Nov. 22-Dec. 21) -- An emotional burden is lifted today -- but you'll still find yourself weighed down by something that's hard to shake. You'll figure this out!

TAURUS (April 20-May 20) -- Despite the advice you've recently given, someone you know may choose a route that has you worried. Pay attention -- but don't intrude! GEMINI (May 21-June 20) -- You're likely to discover something today that can prove a game changer if it is applied to your daily life correctly. It's a no-brainer! CANCER (June 21-July 22) -- You may not feel quite as confident as your closest rival today, but that doesn't mean you can't keep up -- or move ahead by day's end.

MONDAY, JULY 26, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you are always concerned with quality control, not because you are such a nit-picky thinker or some obsessive perfectionist, but because you simply know the difference between a job well done and one not performed up to reasonable standards. Now the question is, are you always able to complete a job in a way that satisfies your desire for quality? No, of course not -- who is?
