HOROSCOPES by Stella Wilder

SATURDAY, JULY 31, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are focused, dedicated,
hardworking and always original in your
planning and execution of new endeavors.
Whether or not you were raised with a
healthy work ethic and desire to excel, those
traits will surely be at the center of your per-
sonality as you approach adulthood and will
compel you to accomplish great things in
your lifetime -- provided, of course, that you
are able to choose a line of work that satisfies
your desire to show off, for -- like it or not --
that is also a very important part of your
makeup.

SUNDAY, AUGUST 1
LEO (July 23-Aug. 22) -- It's that time
once again, and you know just what you have
to do today to satisfy those who are looking
over your shoulder. Be creative!
VIRGO (Aug. 23-Sept. 22) -- You're not
likely to please everyone with your accom-
plishments today, but they're sure to be

remembered -- by some for all the wrong
reasons.
LIBRA (Sept. 23-Oct. 22) -- You must be
willing to clean up those messes for which
you are responsible, but you needn't do more
than that. Others must step forward.
SCORPIO (Oct. 23-Nov. 21) -- You want
to know what's available to you today before
being "forced" to make a decision that you'll
have to live with for a long while.
SAGITTARIUS (Nov. 22-Dec. 21) -- You
may be stumped by something today that
someone has already figured out. Why not
join forces? Cooperation can benefit you
both.
CAPRICORN (Dec. 22-Jan. 19) -- The
inevitable will have to be faced very soon, but
whether it's today is entirely up to you. You
likely want to get it over with!
AQUARIUS (Jan. 20-Feb. 18) -- Your
reaction to an unexpected development may
surprise those who were responsible for it. It's
back to the drawing board!

PISCES (Feb. 19-March 20) -- Others are
behaving as they are because of mere sugges-
tions, but you should hold tight until news
comes of what's really happening.
ARIES (March 21-April 19) -- Signs and
symbols are all over the place, and you'll want
to interpret as many as you can before anyone
else is able to get the jump on you.
TAURUS (April 20-May 20) -- You've
been misled recently, but there's no one to
point your finger at unless you're looking in a
mirror. You are the responsible party.
GEMINI (May 21-June 20) -- A difference
of opinion is likely to get out of hand today.
Fortunately, you'll be in the right place at the
right time and can work wonders.
CANCER (June 21-July 22) -- What
someone else calls a shortcut is not likely to
offer you an easy way out. You're going to
have to do what you've always done.
