HOROSCOPES by Stella Wilder

SUNDAY, AUGUST 1, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you know how to give your all to any endeavor you undertake, and you're never one to hold back when given the chance to express yourself through your work. Indeed, while you may be something of a mystery even to those who know you well personally, you are much more of an open book professionally, and everyone who works with you will develop a pretty accurate sense of who you really are.

MONDAY, AUGUST 2, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you are never one to balk at a problem or challenge, but this certainly doesn't mean you are not sensibly fearful of things that could pose a danger to you. The fact is that you actually enjoy facing your fears, and that's what gives you the impetus to move forward when others would hang back, to charge ahead when others would retreat, to embrace what comes when others would do all they can to avoid it.
