Harry Houdini

10:03 p.m. on HIST  
Man vs. History

Storyteller and historian Bil Lepp explores the daredevil career of "The Real Houdini" in this new episode by putting his very own twist on this showman's death-defying stunts, testing whether it's possible for a human to survive a plunge over Niagara Falls. Lepp also investigates the controversial 1926 death of daredevil aviator Bessie Coleman, who was thrown from a plane in mid-flight at 2,000 feet.
