HOROSCOPES by Stella Wilder

FRIDAY, AUGUST 6, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of those rare individuals who can, in one moment, seem to be one thing to one person while, at the same time, seeming to be something entirely different to someone else. Most are quite mystified by this simple fact, but you understand it very well and know that it is the result of individual variations that can occur, often in the briefest of moments, in the dynamics between people. It also points to a certain key dichotomy in your very nature which, though you understand it, you may not be able to control.

SATURDAY, AUGUST 7
LEO (July 23-Aug. 22) -- You'll have good reason to look into something more closely than you have before. The answers you dig up can help others as well as yourself.
VIRGO (Aug. 23-Sept. 22) -- Difficulty is measured in time and effort -- and the combination of the two will enable you to assess what you're doing and what it's worth.

LIBRA (Sept. 23-Oct. 22) -- What you say and what you do must be in close alignment today, or the criticism you face will be hard to endure. Your motives are true.
SCORPIO (Oct. 23-Nov. 21) -- It's time to hold someone accountable for something that has affected you both directly and indirectly for some time. Say what you mean!
SAGITTARIUS (Nov. 22-Dec. 21) -- Watch yourself when it comes to taking liberties today; you can do only so much without having to answer for your actions at this time.
CAPRICORN (Dec. 22-Jan. 19) -- You're likely to respond to something very differently from those who are equally affected. How is your perspective different from theirs?
AQUARIUS (Jan. 20-Feb. 18) -- The story you tell must be based on the truth today. Don't be tempted to start from a false place, or you'll be held to account later on.
PISCES (Feb. 19-March 20) -- You're eager to take on some more responsibilities, but be careful what you wish for! Today, added burdens are likely to take it out of you.

ARIES (March 21-April 19) -- What someone else does is likely to inform your behavior throughout the day. This is something you'll want to examine closely, perhaps.
TAURUS (April 20-May 20) -- Your enthusiasm for a certain endeavor isn't likely to hold steady today, as related difficulties pile up much more than expected.
GEMINI (May 21-June 20) -- You're entering a new phase in which self-assessment will surely pay off in ways that you cannot yet anticipate. Be honest with yourself today!
CANCER (June 21-July 22) -- You're in possession of something that someone is eager to get his or her hands on. Now is no time to let your guard down, surely.
