HOROSCOPES by Stella Wilder

SUNDAY, AUGUST 8, 2021 YOUR BIRTHDAY by Stella Wilder
Born today, you may be known as erratic, inconsistent, mercurial or even irresponsible, but these labels are most likely assigned to you by people who either do not know you well, have only heard of you through hearsay of some kind or who know you personally but cannot keep up with you -- for you are one of the most energetic and active individuals born under your sign! You are highly creative, and you're always looking for new ways to express yourself.
MONDAY, AUGUST 9
LEO (July 23-Aug. 22) -- What you are trying to do is new to many people, and the road ahead of you is likely to be bumpier than you suppose -- but you won't be stopped!
VIRGO (Aug. 23-Sept. 22) -- Your personal affairs are likely to be affected by someone else's, but in a way that is difficult to sound. You can't afford to be impatient.

LIBRA (Sept. 23-Oct. 22) -- You're ready to take on more than others, but you must be careful not to let your eagerness overtake your common sense while you work.
SCORPIO (Oct. 23-Nov. 21) -- You've misinterpreted a simple message and put others at risk as a result. Listen to what a friend has to offer, and reverse your course.
SAGITTARIUS (Nov. 22-Dec. 21) -- You'll have to take on more than others if you want to finish ahead of the pack by day's end. You'll get far by focusing on what you know.
CAPRICORN (Dec. 22-Jan. 19) -- Despite turning in an impressive performance -- and under pressure, too -- there will be those who are critical of your methods today.
AQUARIUS (Jan. 20-Feb. 18) -- It's not what you say but how you say it that matters most today. You don't want to turn anyone off because your approach is overwhelming.
PISCES (Feb. 19-March 20) -- You may have come close to a premature end recently,

but you're ready to reclaim your place as a leader. Today's events should go your way.
ARIES (March 21-April 19) -- Getting things in the right order before dealing with each on its own merits will be trickier than you think -- but you may receive help.
TAURUS (April 20-May 20) -- You must be ready to move quickly in any direction today, as you're likely to be faced with a challenge that requires a nimble response.
GEMINI (May 21-June 20) -- You're in no mood to do things the way you've always done them, and yet you aren't ready to try something new. What are others doing?
CANCER (June 21-July 22) -- You've got a number of attractive options to consider today, but you must be sure to assess each one from the proper perspective.

MONDAY, AUGUST 9, 2021 YOUR BIRTHDAY by Stella Wilder
Born today, you may, at some point in your life, come to the conclusion that everyone else knows you better than you know yourself, for what you hear from those around you about your nature and your behavior always seems to make much more sense to you than anything you might deduce about yourself. The question, of course, is why is this so? The answer is likely to lie in the fact that you live your life focused on all that is outside of your own immediate boundaries and everything else in the world gets more critical attention from you than you give yourself.
TUESDAY, AUGUST 10
LEO (July 23-Aug. 22) -- Not all of your opinions are likely to be appreciated today -- especially if you share them without being asked. Try listening to others!
VIRGO (Aug. 23-Sept. 22) -- You may be confused, temporarily at least, by the order of events that is imposed on you by another. Keep responsibilities separate.
LIBRA (Sept. 23-Oct. 22) -- Your confidence will serve you very well today when you are challenged by someone who doesn't know you. Stand your ground.
SCORPIO (Oct. 23-Nov. 21) -- You risk being too aggressive today; take a more passive stance, and let others have their say. You have much in common with them!
SAGITTARIUS (Nov. 22-Dec. 21) -- There has to be a better, quicker way to do certain things you have to do today -- but you can't take all day to discover them!
CAPRICORN (Dec. 22-Jan. 19) -- The feeling that someone has done you wrong may influence many of your plans today -- but that can only lead to trouble if you're not careful!
AQUARIUS (Jan. 20-Feb. 18) -- You must explore all options today before choosing that which is likely to have the most far-reaching impact. They'll be useful later on.
PISCES (Feb. 19-March 20) -- Something that doesn't come naturally to you will nevertheless exert an almost irresistible pull on you today. See where it leads you.
ARIES (March 21-April 19) -- It's important to acknowledge your own fallibility today. Assuming you're right in all situations will only lead to disappointment.
TAURUS (April 20-May 20) -- You can do only so much on your own today, but if you join forces with someone whose abilities complement your own, you can do almost anything!
GEMINI (May 21-June 20) -- Now is not the time to impose your beliefs on anyone else -- especially since they may well be going through a period of change very soon.
CANCER (June 21-July 22) -- You are knowledgeable in many areas that are open for exploration today -- but where is it you really want to go? Follow your true desires.
