HOROSCOPES by Stella Wilder

SUNDAY, AUGUST 22, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of those shadowy, even mysterious individuals, and that suits you just fine. You are also the kind to “come from behind” when the going gets tough and win the day, surprising even your closest rivals who assumed, because of your generally unassuming and unboastful manner, that you aren't really in the race -- but that's what you count on! You enjoy not having all eyes on you at all times, because it affords you a great deal of personal freedom.
MONDAY, AUGUST 23
VIRGO (Aug. 23-Sept. 22) -- Others are waiting for you to make up your mind, but you're in no hurry to commit one way or the other. Review all available information.
LIBRA (Sept. 23-Oct. 22) -- Mischief-making can be fun today, but it can also cause you trouble that will take a good deal of time to resolve. Play it straight right now!

MONDAY, AUGUST 23, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are a straightforward, honest, diligent and uncomplicated individual who walks through life with realistic expectations and a healthy sense of your place in the world. Or so you seem to most! The truth, however, is that there is much more going on beneath the surface than anyone might suspect, and even you are surprised by the depth of feeling that you may experience -- especially at times when such emotional engagement is unexpected.
TUESDAY, AUGUST 24
VIRGO (Aug. 23-Sept. 22) -- Someone may be making overtures, but you're not really interested -- yet. Further developments are likely to change your mind.
LIBRA (Sept. 23-Oct. 22) -- You can go the distance today without too much difficulty or strain. Take care, however, that you don't have to do this too often!

SCORPIO (Oct. 23-Nov. 21) -- You may be afraid that your popularity is decreasing, but that's simply a product of your own insecurity. You are sitting pretty today!
SAGITTARIUS (Nov. 22-Dec. 21) -- You may be fearful of something that others are anticipating; instead of assuming the worst, you can find out what's really happening.
CAPRICORN (Dec. 22-Jan. 19) -- You may have to seek out someone who knows more than you do about current events in order to gather information that's most applicable to you.
AQUARIUS (Jan. 20-Feb. 18) -- You can use almost all things that come your way in a manner that yields positive results. Take care, however, that you don't get cocky!
PISCES (Feb. 19-March 20) -- You're looking forward to the day when you don't have to do something just to prove your standing. Until then, you must keep up appearances.
ARIES (March 21-April 19) -- Someone is

likely to make you uncomfortable today by claiming to know you more than you know yourself. Is this really even possible?
TAURUS (April 20-May 20) -- Taking what comes in stride should be no trouble for you today. In fact, you will likely be able to teach someone to do the same.
GEMINI (May 21-June 20) -- You may not fully trust someone who is trying hard to get in your good graces -- but for now you can keep things cooperative and productive.
CANCER (June 21-July 22) -- You'll either be one step ahead of the competition at day's end, or one step behind. Which it is depends in large part on your overall attitude.
LEO (July 23-Aug. 22) -- Others will gravitate toward you throughout the day, and you'll have to think of things for them to do that are both unique to each and helpful.

unintentionally add fuel to a dangerous fire today, and you'll have to stop what you're doing to put it out as quickly as possible.
TAURUS (April 20-May 20) -- Others are giving you more credit than you deserve, perhaps, but you're not giving yourself enough. It's time to adjust your perspective.
GEMINI (May 21-June 20) -- You can give yourself that which no one else can, and you'll be much better off as a result. It's likely to take some time, however.
CANCER (June 21-July 22) -- You are seeing things in a new light -- but not everything has to change as a result. You'll want to keep a lot of things exactly as they are.
LEO (July 23-Aug. 22) -- The routine takes an unusual form today, and the unusual seems routine -- and this backward state of affairs must be addressed head-on.
