HOROSCOPES

by Stella Wilder

FRIDAY, AUGUST 27, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you will do what you have to do to get things done, and nothing is likely to stand in your way for long. While this is quite admirable, the fact is that you may earn a reputation as one who is too changeable for your own good, one who will adopt any point of view necessary to further a cause, and one who can stoop to bending and even breaking the law in order to reach a goal.
SATURDAY, AUGUST 28
VIRGO (Aug. 23-Sept. 22) -- You are eager to take things to a new level but concerned about someone else's ability to keep up. Clear communication is the answer.
LIBRA (Sept. 23-Oct. 22) -- You have been alerted to something that will soon require your attention, but for now you'd prefer to concentrate on a different issue.
SCORPIO (Oct. 23-Nov. 21) -- The more

open and honest you are about your own issues, the more likely you'll be included in someone else's -- and you'll both learn a lot!
SAGITTARIUS (Nov. 22-Dec. 21) -- Instead of keeping something to yourself today, share it with another who always seems to understand what you're going through.
CAPRICORN (Dec. 22-Jan. 19) -- You may be compelled to behave in a manner that surprises those who are used to your overall consistency. This won't go on for very long.
AQUARIUS (Jan. 20-Feb. 18) -- You have decisions to make today that are likely to affect your trajectory in the coming weeks or months. Your very first one sets the tone.
PISCES (Feb. 19-March 20) -- You needn't hesitate to ask for what you feel you deserve today; there are others who are on your side and will support your cause.
ARIES (March 21-April 19) -- It may be harder than expected to get moving today, but

once you're on your way, you can make measurable progress on several fronts.
TAURUS (April 20-May 20) -- That which confounds your expectations is worth looking at very closely today. There's a "disconnect" somewhere -- and you must find it!
GEMINI (May 21-June 20) -- You can do much to reduce tension on the home front today -- but it's important to know when to back away and let others do and say what they must.
CANCER (June 21-July 22) -- You can provide someone with a timely escape -- and you may begin thinking that it's precisely what you should do as well. Why not now?
LEO (July 23-Aug. 22) -- You'll be facing an obstacle that you've put in your own way today. Before you try to get around it, you must ask yourself why it's really there.
