YOUR BIRTHDAY by Stella Wilder

Born today, you are a strong, active, involved and often quite powerful individual for whom the combination of a compelling and attractive personality and one or more rare talents makes you a favorite -- not only among those born under your sign, but all those who come to know you in any way, personally or professionally, at any point in your life.

SUNDAY, AUGUST 29

VIRGO (Aug. 23-Sept. 22) -- You are afraid that you may soon be "found out" by someone who is digging into your affairs.

What is it you're feeling guilty about?

LIBRA (Sept. 23-Oct. 22) -- What you end up with is likely to be quite different from what you are really after -- but all things should turn out well in the end today!

SCORPIO (Oct. 23-Nov. 21) -- You're

aware of an increase in pressure, but where it's coming from is not yet clear to you. You can do much today that gives you what you need.

SAGITTARIUS (Nov. 22-Dec. 21) -- You're eager to see where a certain path leads, but this is not something that you can do halfway; you must be willing to commit fully!

CAPRICORN (Dec. 22-Jan. 19) -- You are concerned about the quality of your work right now, but this may only be the result of a recent and subtle shift in your values.

AQUARIUS (Jan. 20-Feb. 18) -- You can effect change today, surely, but is it the right kind -- for you or your allies? This may require some careful self-assessment.

PISCES (Feb. 19-March 20) -- What you see around you today is entirely satisfactory -- as far as it goes. You want more, however, and you know there must be a way!

ARIES (March 21-April 19) -- You're eager to have your questions answered today, but it's

not enough just to collect information. You have to put it to good use, too!

TAURUS (April 20-May 20) -- You can do much today that comes very naturally to you, but later in the day you may face a certain reality that is harsher now than any other.

GEMINI (May 21-June 20) -- You may not understand what someone close to you is doing -- or why -- but you suspect that your intervention may soon be required. Be ready.

CANCER (June 21-July 22) -- The more a rival is able to do today, the more you'll want to respond in kind -- but be careful not to step too far out of your comfort zone.

LEO (July 23-Aug. 22) -- You have the uncomfortable feeling that someone is drifting away from you, but the reason is unclear. You must tread very lightly right now.
