HOROSCOPES by Stella Wilder

TUESDAY, AUGUST 31, 2021

YOUR BIRTHDAY by Stella Wilder

Born today, you are not one to be cowed by complexities or difficulties, and if something seems to be over your head in any way, you are more likely to try to tackle it, eager to learn what you must in order to rise to the challenge that it offers. There is far more to you than others may ever know.

WEDNESDAY, SEPTEMBER 1

VIRGO (Aug. 23-Sept. 22) -- You're going to have to file away certain information today in places that no one else can get to -- at least for now. Guard what you know!

LIBRA (Sept. 23-Oct. 22) -- The effects of someone's behavior are likely to drive you in a different direction from that you had originally intended today.

SCORPIO (Oct. 23-Nov. 21) -- It may be time for you to begin planning for a trip that you are eager to go on -- but take care that you

don't schedule anything prematurely.

SAGITTARIUS (Nov. 22-Dec. 21) -- You can get yourself out of a tricky situation simply by staying put. This kind of immobility isn't always a good idea -- but it is today.

CAPRICORN (Dec. 22-Jan. 19) -- Take a good look at what others are doing; you'll realize you know all you need to know to get a key task done today.

AQUARIUS (Jan. 20-Feb. 18) -- You're eager to move past a certain crisis that has kept you involved with others for quite a while. All you have to do today is let go!

PISCES (Feb. 19-March 20) -- You may find yourself competing with someone who shares many talents with you -- but right now they're putting in more time and effort.

ARIES (March 21-April 19) -- You may have to fight with your own moods today before you are able to move forward at a satisfactory pace and do what is required of you

today.

TAURUS (April 20-May 20) -- You are letting yourself go, perhaps, and the time has come to pay more attention to how you feel physically, emotionally -- and mentally.

GEMINI (May 21-June 20) -- You can do more with a kind word and a smile than you can with a stern or aggressive tone. Ease your way into a situation for the best results.

CANCER (June 21-July 22) -- You are sitting pretty right now in ways that really matter to you, though you may not quite understand just how much you have going for you.

LEO (July 23-Aug. 22) -- Just when you need things to be working flawlessly for you, you're likely to encounter something that threatens to derail you. Get it fixed.
