HOROSCOPES by Stella Wilder

SATURDAY, NOVEMBER 13, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you may have to endure a great deal when you are young as you strive to learn just who you are and what your place may be in the world, for the answers to such questions and solutions to such mysteries aren't likely to come to you very easily -- or free of charge. You must be willing to work for them, barter for them or pay for them outright if you're going to uncover them and benefit from them.

SUNDAY, NOVEMBER 14
SCORPIO (Oct. 23-Nov. 21) -- It's time for you to admit to a mistake that has hounded you ever since you made it. Coming clean will ease the process of erasing it forever!

SAGITTARIUS (Nov. 22-Dec. 21) -- You're in the lead and nearing the finish line, but you must take care that you don't stumble over an obstacle born of overconfidence.

CAPRICORN (Dec. 22-Jan. 19) -- Because you've pledged to help another, you're going to have to learn the ins and outs of something you always used to take for granted.

AQUARIUS (Jan. 20-Feb. 18) -- The assistance you need today may not be available to you when you ask for it -- but if you juggle your responsibilities, it should all work out.

PISCES (Feb. 19-March 20) -- You have more to do today than most -- but less than some. Indeed, it's this second point that gives you comfort, as busy as you may be.

ARIES (March 21-April 19) -- You're doing things in a manner that may seem random to some, but others know that you're following a specific plan. What comes next?

TAURUS (April 20-May 20) -- Kindness and generosity pay off very handsomely today, for all concerned. You gain nothing by being aggressive and covetous! Open up!

GEMINI (May 21-June 20) -- You can take charge of a situation today that only you seem to understand -- but when you're immersed in it, it proves trickier than you thought.

CANCER (June 21-July 22) -- You've a lot of routine activities to perform today, but you're in no mood for the "same old thing." Try experimenting with new methods.

LEO (July 23-Aug. 22) -- You may be facing a difficult situation today, but in order to keep things from getting worse, you must be willing to accept some timely assistance.

VIRGO (Aug. 23-Sept. 22) -- You should be able to do more than expected today by paying extra attention to details often overlooked. You learn much that is useful.

LIBRA (Sept. 23-Oct. 22) -- Keeping up with others may seem the sporting thing to do, but you have it backward: It's time for them to keep up with you today.
