**HOROSCOPES** by Stella Wilder

SUNDAY, NOVEMBER 21, 2021  
YOUR BIRTHDAY by Stella Wilder  
Born today, you are determined to make a difference, and you are most likely to do so by following your instincts and doing those things that most interest you. You can be quite aggressive in your pursuit of excellence, and you will not stop until you are sure that the road you are on at any given time has taken you as far as possible. When told "no," you are likely to pick up the pace and keep going, despite any warnings to the contrary.

MONDAY, NOVEMBER 22  
SAGITTARIUS (Nov. 22-Dec. 21) -- You mustn't push others too hard today, even as you try to promote your agenda. Find something that you have in common -- now!  
CAPRICORN (Dec. 22-Jan. 19) -- Keep your eye on the ball today, and don't let anyone distract you from your No. 1 responsibility. Assets must be protected.  
AQUARIUS (Jan. 20-Feb. 18) -- It's a good day to engage in conversation with others about what really matters. Now is not the time to promote your own assumptions, however.

PISCES (Feb. 19-March 20) -- Put your head down and forge ahead today, but know that you're likely to attract some criticism for methods that may seem a bit outdated.

ARIES (March 21-April 19) -- You may not be able to rely on the same support system to see you through a difficulty today -- but you can perform well on your own.

TAURUS (April 20-May 20) -- A current endeavor may have to be paused for a time today as you address a concern that could very easily get out of hand. Be honest at all times.

GEMINI (May 21-June 20) -- If you find yourself in charge of something that is a bigger responsibility than expected, you can certainly rely on others to lend a hand.

CANCER (June 21-July 22) -- You mustn't try to attack a challenge head-on today, lest you find out too late that it's too much for you alone. Gather your team together.

LEO (July 23-Aug. 22) -- Pace yourself today and you're likely to get everything done without taxing yourself beyond the point of no return. You needn't be in a hurry!

VIRGO (Aug. 23-Sept. 22) -- Get closer to one who is trying to reach a similar goal, and you'll surely realize that your intentions are not what you thought they were.

LIBRA (Sept. 23-Oct. 22) -- Doing the right thing is only as difficult as you make it. Check in with yourself, and listen to that little voice telling you what's what.

SCORPIO (Oct. 23-Nov. 21) -- You are willing to help in any way possible, but you mustn't let yourself be taken advantage of by one who doesn't contribute equally.

MONDAY, NOVEMBER 22, 2021  
YOUR BIRTHDAY by Stella Wilder  
Born today, you have been blessed with the gift of clarity -- that is, you see what is before you as it is, you assess what has happened to you accurately and honestly, and you formulate plans and shape your aspirations in a manner that is based in reality while remaining true to your inner self. The fact that you are able to do all this is, in itself, remarkable, but you're almost certain to do things with this gift that take it -- and you -- to another level entirely.

TUESDAY, NOVEMBER 23  
SAGITTARIUS (Nov. 22-Dec. 21) -- Information is likely to come to you today in fits and starts, but you should have the answers you need by nightfall. Be proactive!  
CAPRICORN (Dec. 22-Jan. 19) -- You're eager to get started on a certain project, and all that stands in your way is the boss. Let the negotiations begin -- today!

AQUARIUS (Jan. 20-Feb. 18) -- You can shine things up very nicely today as you prepare to demonstrate all you can do -- but you don't want it to be just appearances!

PISCES (Feb. 19-March 20) -- Now is no time to try to fool anyone with smoke and mirrors. You must deal in hard-and-fast realities, even if they are disadvantageous.

ARIES (March 21-April 19) -- You may have to go more slowly today than you had originally planned, but this will allow you to enjoy the view as you go from here to there.

TAURUS (April 20-May 20) -- You can shower others with all manner of attention and praise, but what you really need right now is some of your own. It's slow in coming.

GEMINI (May 21-June 20) -- You may miss out on something that you've long been waiting for, but by day's end, you'll certainly realize it is all for the best.

CANCER (June 21-July 22) -- Events prove memorable but bittersweet today as you welcome someone new into the fold while bidding farewell to something quite important to you.

LEO (July 23-Aug. 22) -- The good and the bad jockey for position throughout the day, but you certainly have something to say about which will be dominant in the end.

VIRGO (Aug. 23-Sept. 22) -- You may have to wait your turn today as others who are less deserving than you are enjoy their moment in the sun. A new trend begins soon.

LIBRA (Sept. 23-Oct. 22) -- Take stock of all that has been going on of late and you'll realize you've been far more influential than you had originally expected.

SCORPIO (Oct. 23-Nov. 21) -- Once you make a start today, you'll be committed and find it impossible to stop or reverse course. Much is on the line -- but you can win.
