HOROSCOPES by Stella Wilder

FRIDAY, DECEMBER 3, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are quite adept at navigating all manner of situations, routine and otherwise, and you're likely to gain a reputation, as a result, as one who has no true alliances. This is nonsense, of course, but there is a grain of truth at the heart of the notion. You are always aware of what you can do to increase your own standing among those on the other side of the fence.

SATURDAY, DECEMBER 4
SAGITTARIUS (Nov. 22-Dec. 21) -- A chance discovery sends you on a mission today -- but where will you end up? Soon, you'll understand just what you're involved in!

CAPRICORN (Dec. 22-Jan. 19) -- It's a good day to pick up where you left off a while ago. You've been considering a return to a favorite project, and now's surely the time.

AQUARIUS (Jan. 20-Feb. 18) -- You are so eager to do something today that you've long wanted to do that you may fear the reality won't live up to the fantasy. Try it!

PISCES (Feb. 19-March 20) -- You have much to talk about today, and if you look around, you'll see that you have many new friends to talk with. Share all you know.

ARIES (March 21-April 19) -- How you choose to spend your day will affect those around you in a variety of ways -- but you're most interested in those who approve.

TAURUS (April 20-May 20) -- You'll have more freedom today than you had yesterday, very likely -- and more than you'll have tomorrow. It's time to take that risk.

GEMINI (May 21-June 20) -- While others are balking at a variety of opportunities today, you are certain that now's the time to put your money where your mouth has been.

CANCER (June 21-July 22) -- No more talk! It's time to do that thing you want to do, no matter what people might say. Someone will likely admire you for taking the risk.

LEO (July 23-Aug. 22) -- You'll have much in common today with those who are similarly on the move, though you may not be able to be in touch -- directly, at any rate.

VIRGO (Aug. 23-Sept. 22) -- Any overreaction to what happens today is likely to find you in the doghouse -- and you can't afford to increase your own stress level!

LIBRA (Sept. 23-Oct. 22) -- You may not be making the connection that is necessary to draw the correct conclusion from the evidence at hand. You may want to start over.

SCORPIO (Oct. 23-Nov. 21) -- You can rise above the fray today and see how things will turn out -- if only you can get others to call a truce and work together.
