HOROSCOPES

TUESDAY, DECEMBER 7, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are a generous and warmhearted individual, and yet like so many Sagittarians, you may choose to hide this aspect of your personality from those who do not know you well -- out of a general fear of vulnerability. Still, you are best when you feel free to do what you will for those around you, regardless of the cost, for you are confident that your gifts to others, whatever they may be, are almost always going to come back to you in one way or another. Is this the kind of payment you seek when doing good deeds? Not at all! But you're certainly not about to turn it down when it comes your way, are you? Among friends and loved ones you are honest, forthright and highly expressive -- and you always trust your emotions to steer you in the right direction.

WEDNESDAY, DECEMBER 8
SAGITTARIUS (Nov. 22-Dec. 21) -- You receive an offer today that goes very much against the grain -- but you mustn't let on just yet. Later you can surely tell all.

CAPRICORN (Dec. 22-Jan. 19) -- Now is not the time to insist on certain treatment from another. Let things evolve organically; you'll be happy with the outcome.

AQUARIUS (Jan. 20-Feb. 18) -- You may surprise others today with your very unusual way of looking at things that seem, to them, straightforward and routine.

PISCES (Feb. 19-March 20) -- You mustn't expect everyone to agree with you today, though most everyone is likely to understand you and your overall motives.

ARIES (March 21-April 19) -- The decisions you make now must be based on fact, not fiction. Be sure that all information you have is current; make no assumptions today.

TAURUS (April 20-May 20) -- You may always trust your emotions to steer you in the wrong basket lately. There is time to correct this mistake -- if you do so today!

GEMINI (May 21-June 20) -- Some are supportive of you and some are not -- and you know who you must pay most attention to today. You need more folks on your side!

CANCER (June 21-July 22) -- That which happens automatically, without demanding any unusual effort from you, can prove quite beneficial to you. Pay attention!

LEO (July 23-Aug. 22) -- You must pay attention to the finer points today, and leave the broad strokes to those who don't care quite as much as you do. Stay focused!

VIRGO (Aug. 23-Sept. 22) -- Any time you pretend to be what you are not you risk all that you are working for -- and possibly more. Be honest and genuine.

LIBRA (Sept. 23-Oct. 22) -- There's no reason to be impatient with anyone today when you're all in the same boat, for the most part. Remain calm; seek answers.

SCORPIO (Oct. 23-Nov. 21) -- The information contained in a certain message proves difficult to decipher. Someone you know well urges you to go behind another's back.
