HOROSCOPES by Stella Wilder

YOUR BIRTHDAY by Stella Wilder
Born today, you want nothing more in life than to be allowed to go about your business in a peaceful manner, free of conflict and hardship. This is not something that is likely to come to you as a matter of course, however, ironically, this kind of peaceful existence is something that you're going to have to fight for on at least two or three occasions during your lifetime!
MONDAY, DECEMBER 13
SAGITTARIUS (Nov. 22-Dec. 21) -- You'll receive help today from a surprising source -- but not everything that is done in your name will promote your cause at this time.
CAPRICORN (Dec. 22-Jan. 19) -- Your plans may not pan out as hoped today if only because you haven't taken into account the effect an uncooperative associate can have.
AQUARIUS (Jan. 20-Feb. 18) -- Start slowly today and pick up speed gradually. Focus on the things that present themselves as expected -- but be ready for the unexpected.
PISCES (Feb. 19-March 20) -- You are eager to see how someone's efforts play out today, as you're considering making a temporary change in your methods.
ARIES (March 21-April 19) -- You're finding it hard to be enthusiastic about what lies ahead, and today's extra duties do not help the situation. This is only a phase.
TAURUS (April 20-May 20) -- Turn your back on another today and you'll surely pay for it -- not now, perhaps, but soon. Engage with others as creatively as you can!
GEMINI (May 21-June 20) -- Things may not "add up" as expected today, but you're able to maneuver in such a way that a truly negative development can be avoided.
CANCER (June 21-July 22) -- Though something on your mind that isn't going to go away until you share it with someone -- and you know it can't be just anyone!
PISCES (Feb. 19-March 20) -- A combination of thought and feeling leads you to a conclusion today that at once surprises you and fulfills your expectations as well.
ARIES (March 21-April 19) -- You'll encounter someone who is able to introduce you to something new -- and your interest will surely be piqued. An investment is required.
TAURUS (April 20-May 20) -- You'll have a choice to make today, whether or not you like it, and no one will be in a position to help you. Your instincts serve you well.
GEMINI (May 21-June 20) -- You are proud of someone who has traced your path in lockstep. Now it may be time for you to go your own ways -- at least for a while.
CANCER (June 21-July 22) -- Your easygoing manner may be put to the test today when someone accuses you of something you had nothing to do with. You know the truth.
LEO (July 23-Aug. 22) -- Doing what you are told may be the path of least resistance today, but it's not what your heart is telling you to do. Assert your independence!
VIRGO (Aug. 23-Sept. 22) -- You've enjoyed a good deal of success lately, and your few failures have receded into memory. Today, a tricky cycle is likely to start again.
LIBRA (Sept. 23-Oct. 22) -- You feel strongly about something that a friend is ignoring or discounting, and this is surely worth talking about before a rift develops.
SCORPIO (Oct. 23-Nov. 21) -- You must avoid being defensive today at all costs. No one is accusing you of anything, but you must be genuine and play by the rules.
LEO (July 23-Aug. 22) -- Are you truly suffering physical symptoms, or is your mind playing tricks on you? You must be sure to ask all the right questions today.
VIRGO (Aug. 23-Sept. 22) -- It's a good day for homework, and you have plenty to do! What you learn about a loved one makes your question plans the family has made.
LIBRA (Sept. 23-Oct. 22) -- You're nearing a turning point today, and you must be ready to make a decision on the run. You won't have time to consider all likelihoods.
SCORPIO (Oct. 23-Nov. 21) -- You find the options available to you intriguing today, but none give you that initial thrill you're looking for -- at least not yet.
