HOROSCOPES by Stella Wilder

WEDNESDAY, DECEMBER 15, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you are the kind of person others pay attention to, and it's likely that you will someday be the talk of the town -- but will it be for the right reasons? Indeed, how you are seen by others may not even be consistent throughout your lifetime; you may be seen as a hero at one point, and a villain at another, and not because you are all that different. Rather, you are so determined to be independent, autonomous and true to yourself that you refuse to adapt to changing circumstances.

THURSDAY, DECEMBER 16
SAGITTARIUS (Nov. 22-Dec. 21) -- Watch where you are going today, and take care that you don't cross paths with a rival who is looking for some kind of fight.

CAPRICORN (Dec. 22-Jan. 19) -- Your desires may become tangled with the realities that you are facing today, and what is possible may appear impossible -- and vice versa.

AQUARIUS (Jan. 20-Feb. 18) -- You may reach a "point of no return" today -- or is that "no returns"? You'll want to be sure you are profiting fairly from your efforts.

PISCES (Feb. 19-March 20) -- You can make a change at the workplace that affects you in a positive manner at home -- but the reverse efforts won't really work as expected.

ARIES (March 21-April 19) -- You're able to lead others where they want to go, but where is your guidance when you need it? Perhaps you've not yet asked the right person.

TAURUS (April 20-May 20) -- You are putting everything in the right order according to those "in charge," but you may still feel as though something is out of place today.

GEMINI (May 21-June 20) -- You can keep a great deal of information in your head today and use it to your advantage too, but take care you're not just hoarding trivia!

CANCER (June 21-July 22) -- There must be room for emotional development after an encounter with someone who has you all charged up. Don't ignore how you feel!

LEO (July 23-Aug. 22) -- The moment you take full responsibility for that which was your doing, you will actually be liberating yourself in a new and valuable way.

VIRGO (Aug. 23-Sept. 22) -- You can see things both as they are and as they might be today, and you'll want to transform that "might be" into reality. You can do it!

LIBRA (Sept. 23-Oct. 22) -- You know as others don't what's really going on today. By day's end, you'll be able to persuade a choice few to assist you in your efforts.

SCORPIO (Oct. 23-Nov. 21) -- You're "in a mood" today, and those you encounter aren't likely to keep their reactions to themselves. Some conflicts are unavoidable.
