FRIDAY, DECEMBER 17, 2021  
YOUR BIRTHDAY by Stella Wilder

Born today, you are high energy, high enthusiasm, high performance, high octane and high efficiency, which means of course that you are one of the highest performing individuals born under your sign -- if not under any sign at all. You can be counted on to rise to the occasion even when the occasion is challenging in the extreme, and others crave your company when they are facing troubles of all kinds.

SATURDAY, DECEMBER 18  
SAGITTARIUS (Nov. 22-Dec. 21) -- Those who choose to drift into your orbit today are going to be amazed by your energy and commitment to the cause you have embraced.

CAPRICORN (Dec. 22-Jan. 19) -- You want to get things right today and surround yourself with a kind of structure that is "just so." If this is perfection, so be it!

AQUARIUS (Jan. 20-Feb. 18) -- What you're after may seem to be out of reach, but that's simply an illusion of perception. A genuine effort will get you what you want.

PISCES (Feb. 19-March 20) -- You may be surrounded by those who simply do not understand what it is you're really after, and you mustn't let them stand in your way today.

ARIES (March 21-April 19) -- You're starting to tire of the "same old thing," and today's developments are likely to point to a possibility that you haven't yet considered.

TAURUS (April 20-May 20) -- You may wonder at the complexity of human emotion today, even as you gain the advantage over someone who has been using it against you.

GEMINI (May 21-June 20) -- You've been charged with getting something done by day's end, and yet you're not sure how to start. Do what another has done -- at first.

CANCER (June 21-July 22) -- You may be struggling to understand a concept that lies at the heart of what you are trying to accomplish.

Maybe this really isn't for you.

LEO (July 23-Aug. 22) -- You'll have trouble undoing something that someone did a while back, but if you approach it from another angle, you'll make some headway.

VIRGO (Aug. 23-Sept. 22) -- You're not going to respond well to force of any kind today; you must warn a certain someone that they're about to cross the line with you.

LIBRA (Sept. 23-Oct. 22) -- A nagging problem rears its ugly head once more, and you're going to have to deal with it directly before making time for a friend or loved one.

SCORPIO (Oct. 23-Nov. 21) -- You must give others the kind of consideration that you demand -- and today this can surely result in a positive and productive give and take.
