Cameras take viewers into a coral reef in Australia's Great Barrier Reef to follow a baby puffer fish, less than a size of a human fingernail, on its extraordinary journey through its first year of life in this documentary from Australian filmmaker Nick Robinson (“Life on the Reef”). Fellow Aussie Rose Byrne narrates. (ORIGINAL)

“Movie: Grumpy Christmas”

It will be a contentious Christmas for Don Servando (Hector Bonilla), aka Grumpy Grandpa from the 2016 Mexican film comedy “The Patriarch,” as he joins his son, daughter-in-law and extended family for a holiday at the beach, visiting an aunt whose demanding nature raises his blood pressure. Angélica María, Renata Notni, Jacqueline Bracamontes and Tina Romero also star in this film comedy. (ORIGINAL)

“Emily in Paris”

Season 2 of this romantic comedy finds Emily (Lily Collins) getting better at navigating the city but still struggling with the idiosyncrasies of French life — including in her own building, where she's stumbled into a love triangle with her neighbor. At work, she's more focused but that's also getting more complicated. Philippine Leroy-Beaulieu, Ashley Park and Camille Razat are other cast returnees. (ORIGINAL)

“Movie: Don't Look Up”

When they discover a comet on a collision course with Earth, an astronomy grad student (Jennifer Lawrence) and her professor embark on a media blitz to warn mankind of impending peril in this sci-fi dramedy from director Adam McKay (the “Anchorman” movies). Timothee Chalamet, Meryl Streep, Cate Blanchett and Tyler Perry are also in the impressive cast. (ORIGINAL)
