HOROSCOPES by Stella Wilder

FRIDAY, DECEMBER 24, 2021
YOUR BIRTHDAY by Stella Wilder
 Born today, you are never afraid to head off in a direction that is entirely new to you, or that others haven't explored before you. You are charismatic, energetic, highly creative, and always thinking of new and far-fetched, even crazy, ideas, some of which even you recognize as merely fanciful or downright impossible. You can be rather difficult to work with at times, especially when the collaboration is supposed to be based on equality and the sharing of ideas -- for you like to be in charge.

SATURDAY, DECEMBER 25
CAPRICORN (Dec. 22-Jan. 19) -- None of the decisions you make today will be as important as the one you are preparing for -- but they must be given adequate attention.
AQUARIUS (Jan. 20-Feb. 18) -- Seek and ye shall find -- if not today, then tomorrow. No potential delay is worth giving up the search entirely; you must keep trying!

PISCES (Feb. 19-March 20) -- A reunion of sorts doesn't pan out the way you had expected perhaps, but this surprise is one from which you can reap a great deal of good.
ARIES (March 21-April 19) -- Things may take a while to get started today, and if so, you can make use of even a few moments alone to sharpen your already very keen strategy.
TAURUS (April 20-May 20) -- You may wonder why you keep being penalized for something you had no control over -- but lack of control certainly doesn't mean no responsibility!
GEMINI (May 21-June 20) -- The simpler the task the more trouble you may have with it today, for reasons passing understanding. You must be patient with yourself!
CANCER (June 21-July 22) -- You're sure to score certain gains today, but others will not be aware of how you benefit until you put certain new plans into motion.
LEO (July 23-Aug. 22) -- You may be in the mood for something out of the ordinary today -- at least for you. You may want a friend to guide you through the unfamiliar.
VIRGO (Aug. 23-Sept. 22) -- Try to avoid being overly dramatic today when expressing either pleasure or displeasure. Someone is watching -- and judging you, too.
LIBRA (Sept. 23-Oct. 22) -- A quick look back is all it will take to give you a much more accurate and healthy perspective on what lies ahead. This can be your day!
SCORPIO (Oct. 23-Nov. 21) -- Your plans clash with another's today, but that can work out in a manner that benefits you both. Give things time to settle down.
SAGITTARIUS (Nov. 22-Dec. 21) -- If you want to avoid that which lies ahead of you today, you may have to take a path that is full of hidden hazards. Use caution.
