HOROSCOPES by Stella Wilder

YOUR BIRTHDAY by Stella Wilder
Born today, you are determined to make your dreams come true, and you will work tirelessly, day in and day out, often burning the candle at both ends, to see that you satisfy your own desires and expectations and get the results you are after in all things. That's quite a tall order, however, and though you recognize that not every endeavor is likely to turn out well, you do not discount the possibility, for it is your optimism and positive spirit that keep you going -- especially when you are facing long odds.
MONDAY, DECEMBER 27
CAPRICORN (Dec. 22-Jan. 19) -- A little preventive maintenance may be required of you today so that you can avoid something that has held you back in the past.
AQUARIUS (Jan. 20-Feb. 18) -- You may not recognize your closest competitor today, but that simply means that you must put your

head down and do your best to progress!
PISCES (Feb. 19-March 20) -- The way something has been done in the past doesn't interest you all that much right now. You're far more interested in breaking the mold.
ARIES (March 21-April 19) -- You have the ear of someone who understands what you're going through, so take advantage of today's opportunities to share your struggle.
TAURUS (April 20-May 20) -- If it's luck you're after, there's little you can do to maximize your chances -- but if skill is part of the equation, you'll do very well indeed!
GEMINI (May 21-June 20) -- Your way of seeing things may not be shared by all, but those who do see the world as you do may well drift closer to you today than ever before.
CANCER (June 21-July 22) -- You and a friend can take good care of each other today, as you're facing much the same challenges and possess complementary skills as well.
LEO (July 23-Aug. 22) -- The questions

you ask today may arouse suspicion in others, but you are crossing no lines or challenging no authority with your inquiry.
VIRGO (Aug. 23-Sept. 22) -- Do the things you don't like to do as quickly as possible today so you'll have plenty of time to indulge in that which gives you pleasure.
LIBRA (Sept. 23-Oct. 22) -- You may have to dispense with the niceties and empty courtesies and get down to business very quickly today with someone who wants results.
SCORPIO (Oct. 23-Nov. 21) -- You can make someone feel very good today simply by sharing your honest opinion about their work. Your good word is praise indeed!
SAGITTARIUS (Nov. 22-Dec. 21) -- Your unique perspective allows you to see things today in a way that maximizes opportunity and minimizes any genuine hazards.

MONDAY, DECEMBER 27, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of the most curious individuals born under your sign, and the fact that you will go virtually anywhere and do virtually anything to satisfy that curiosity means that you will most likely be on the move throughout much of your lifetime, traveling here and there in pursuit of all kinds of knowledge. You have diverse interests, and you are driven by a desire to understand the world around you.
TUESDAY, DECEMBER 28
CAPRICORN (Dec. 22-Jan. 19) -- Take a look at how others are navigating the current rough patch today and you'll discover just how you are shortchanging yourself.
AQUARIUS (Jan. 20-Feb. 18) -- You may think you have to give up one thing in order to gain another today, but don't be hasty! There's a chance you can have both.
PISCES (Feb. 19-March 20) -- Your plans

may have changed since yesterday, and if so, you'll be required to do something you had thought could surely wait a while.
ARIES (March 21-April 19) -- Someone you know is taking a path you once considered, and today you may find yourself wondering what would be different had you taken it to.
TAURUS (April 20-May 20) -- A friend or partner alerts you to something that you should interpret as a warning -- but you won't be able to take any firm action just yet.
GEMINI (May 21-June 20) -- You'll uncover a new opportunity today, and you'll wonder how you should alter your plans in order to accommodate this exciting challenge.
CANCER (June 21-July 22) -- You're not so much working for yourself today but for others. Information pertaining to measuring outcomes must be shared openly with everyone.
LEO (July 23-Aug. 22) -- You'll benefit

from seeing someone fall short today without having to make the same mistakes yourself. An unexpected meeting is helpful.
VIRGO (Aug. 23-Sept. 22) -- You must be willing to talk about the most sensitive issues that arise today if you're going to bring others together under a common banner.
LIBRA (Sept. 23-Oct. 22) -- Profit and loss will surely come to the fore today, but what you do in response will send a message to those who may be plotting against you.
SCORPIO (Oct. 23-Nov. 21) -- You may be able to adopt a new strategy today that can, in little time, put you in a much better position to negotiate effectively with others.
SAGITTARIUS (Nov. 22-Dec. 21) -- The new and the old compete for your favor today. There's much to admire about the way you used to do things, but new methods call to you.
