tonight s best

Richard Gere

8 p.m. on PBS Earth Emergency

Richard Gere narrates this new one-hour documentary in which a number of respected climate scientists explain how human activity causes dangerous warming "feedback loops" that push the climate to a point of no return, and discuss what can be done to stop them. The overall tone of the documentary, while stark in its warning, is somewhat more hopeful than other such projects, presenting a happier future if changes are made soon. Climate activist Greta Thunberg, actress Jane Fonda and the Dalai Lama also are featured.

8 p.m. on TDC Moonshiners

In a new episode called "Rebel Rye," Tim Smith and his buddy Howard go to Pennsylvania in search of the spirit that sparked the Whiskey Rebellion. As they track down pre-prohibition rye and a colonial-era grist mill, Steven Ray Tickle builds a one-of-a-kind still to help recreate America's once-inimitable but now-lost rye whiskey.

8 p.m. on LMN Movie: Left for Dead: The Ashley Reeves Story

This 2021 docudrama chronicles the harrowing ordeal of 17-year-old Ashley Reeves (Anwen O'Driscoll, "October Faction"), who is so brutally attacked in 2006 that she barely survives. Left to die in the woods, Ashley is found by police after 30 hours, but with no memory of who attacked her and why. After months of rehabilitation and therapy to re-learn how to walk and talk, Ashley struggles to piece together fragmented memories to understand what happened to her, with the support of her mother (Jennie Garth). James Gallanders also stars.

10:01 p.m. on HGTV House Hunters

The new episode "The Mayor of Loveland" revolves around a pair of married doctors who are in a serious time crunch to find their first home in Colorado. Their situation isn't helped by their personal natures, either: She's an introvert who cherishes her privacy and doesn't want to overspend, while he's an extrovert who feels they deserve the perfect home, no matter what it costs.
