PUBLIC NOTICE

The Baker County Planning Commission will hold a public hearing at the County Courthouse on Tuesday, January 11, 2022, at 5 p.m., both in person and via teleconference, to hear:

CUP-21-379: A conditional use request to rebuild and upgrade an existing transmission line within existing easements for Idaho Power Co., in the Commercial-Industrial Zone. This transmission line is not related to the Boardman to Hemingway (B2H) proposal. The public hearing will be followed by a work session to discuss reinstating a provision in the Exclusive Farm Use zone that directs the Mineral Extraction zone standards be applied when considering patented mining claims.

The public is invited to attend this hearing and to submit oral or written testimony. If participating via teleconference, call 1-833-548-0282, enter Meeting ID: 682 612 1078 and Passcode: 967061, when prompted. HOROSCOPES by Stella Wilder

WEDNESDAY, DECEMBER 29, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are never happy staying in one place for very long, whether literally or figuratively. You want to be constantly on the move, free to do what you will and learn what you will, and free also to have the kinds of experiences that can really define who you are -- in the minds of others, certainly, but most importantly in your own mind. You're willing to try almost anything once.
THURSDAY, DECEMBER 30
CAPRICORN (Dec. 22-Jan. 19) -- You must get yourself updated on a pressing situation today or you'll be out in the cold before you know it. A friend offers good counsel.
AQUARIUS (Jan. 20-Feb. 18) -- You're getting a little too caught up in a conflict that doesn't really concern you, and it's threatening the status quo. Step back!
PISCES (Feb. 19-March 20) -- An awk-

ward situation is only made worse by the acknowledgment that it is, indeed, awkward. Approach it in a matter-of-fact manner today.
ARIES (March 21-April 19) -- You may want to take part in another's affairs today, but is that the way to deal with what's really going on? Don't misplace your efforts.
TAURUS (April 20-May 20) -- You're coming perilously close to making a dangerous assumption at this time. Cool down, and let accurate information come to you as it will.
GEMINI (May 21-June 20) -- You're able to finish something today that was left undone a while back when you had a far more pressing personal concern to address.
CANCER (June 21-July 22) -- You know the answer to a question being asked by a friend or loved one, but it's not your place to speak up just yet. You must wait your turn.
LEO (July 23-Aug. 22) -- Despite the crises that you've been addressing of late, you'll

surely have something to celebrate when this day comes to a close. Thank a friend!
VIRGO (Aug. 23-Sept. 22) -- The possible and the impossible will likely both take up a good deal of your time today. Combine the two for a new option to be revealed.
LIBRA (Sept. 23-Oct. 22) -- You've been playing a little fast and loose with the information that comes your way -- but today you must do only as you are instructed.
SCORPIO (Oct. 23-Nov. 21) -- You're keenly aware of what is going on behind the scenes today, but you're not in a position to do anything about it just yet. Soon!
SAGITTARIUS (Nov. 22-Dec. 21) -- You may be caught between what makes sense to you and what is most attractive to you, and they are nearly incompatible. Use your head.
