HOROSCOPES by Stella Wilder
THURSDAY, DECEMBER 30, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you will have a notion, even at
a very early age, that something is calling to
you, beckoning, pulling you toward some-
thing that could very well result in the kind of
greatness that is long remembered after one's
time on Earth has come to an end. Indeed,
you'll pursue achievement with the kind of
single-minded drive that can make your
dreams of greatness come true.
FRIDAY, DECEMBER 31
CAPRICORN (Dec. 22-Jan. 19) -- You
may not understand all that you are told today,
but you can still make headway by following
your instincts -- and a close friend.
AQUARIUS (Jan. 20-Feb. 18) -- You may
not know just what's coming, but you have a
sense of how you must react when it gets here.
That's enough to allow you to prepare.
PISCES (Feb. 19-March 20) -- Someone
from your past is soon going to play a far more
significant role in your affairs than you are
used to, but that can be an advantage.
ARIES (March 21-April 19) -- What you
gain by looking at things through another's
eyes is more than you can possibly anticipate
-- but you can't keep it up forever.
TAURUS (April 20-May 20) -- Pick and
choose from a variety of options. You'll make
good progress today -- provided you let your
core interests lead the way.
GEMINI (May 21-June 20) -- You will
surely attract attention today, but perhaps that
is not your intention. Whether or not it is,
you'll use others to your advantage.
CANCER (June 21-July 22) -- Take care
that you are not misinterpreting the messages
you're getting today -- especially from those
who are usually critical of you.
LEO (July 23-Aug. 22) -- You mustn't
assume that things will be "the same as
always" today, especially where your relation-
ship dynamics are concerned. Change is on
the way.
VIRGO (Aug. 23-Sept. 22) -- You know
that you've been neglecting yourself of late,
and today you'll have the chance to acknowl-
edge it and turn this pattern around.
LIBRA (Sept. 23-Oct. 22) -- The past and
the future are both worth studying today, but
take care that you don't neglect a personal
need that you feel acutely right now.
SCORPIO (Oct. 23-Nov. 21) -- You may be
accused of something you didn't do. It's time to
circle the wagons and defend yourself and
those who align themselves with you.
SAGITTARIUS (Nov. 22-Dec. 21) -- You
should perform very well today, even under
unusual pressure. You may be called upon to
make a decision with unusual speed.
