HOROSCOPES by Stella Wilder

SUNDAY, JANUARY 2, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of those rare individuals who is able to spot opportunities even from a great distance, and this gives you plenty of time to prepare yourself to take full advantage of them when they come your way. Even when quite young, you could play the role of a "mover and shaker," because your thoughts and actions indicate you have an instinct for influencing the world around you.

MONDAY, JANUARY 3
CAPRICORN (Dec. 22-Jan. 19) -- If today is your first workday of the new year, you will want to start it off with something big. If not, you'll likely hatch a big plan.
AQUARIUS (Jan. 20-Feb. 18) -- Someone is likely to make you the "perfect" offer today, but you may not be able to accept without making certain tricky personal adjustments.
PISCES (Feb. 19-March 20) -- Your plans are in close alignment with another's today, so why not put your heads together and see what you can come up with?
ARIES (March 21-April 19) -- You mustn't be tempted to move faster today than you had planned; there are dangers behind the scenes that could threaten your progress.
TAURUS (April 20-May 20) -- You have become disenchanted, perhaps, with the "same old thing," but you don't yet have an alternative. Or do you? Ask a friend!
GEMINI (May 21-June 20) -- Someone from your past appears out of the blue today and makes an offer that seems too good to be true. Use care as you ponder possibilities.
CANCER (June 21-July 22) -- Word on the street is that you are "finished" -- but that's exactly what you want people to think. You're ready to make a bold move today.
LEO (July 23-Aug. 22) -- The more dramatic things seem, the more danger you may be in, so take the time to assess your position carefully and get the lay of the land.
VIRGO (Aug. 23-Sept. 22) -- You may inadvertently run afoul of one who is nominally in charge, but as the day progresses, you'll realize just who really has the power.
LIBRA (Sept. 23-Oct. 22) -- You can spend a good deal of time with someone who teaches you much by doing little. This is a person whose importance will only grow.
SCORPIO (Oct. 23-Nov. 21) -- You'll almost certainly benefit from hearing the opinions of others today -- but there will come a time when you must think for yourself.
SAGITTARIUS (Nov. 22-Dec. 21) -- You may be trying to follow two separate paths that are never likely to converge. Today's the day to make necessary adjustments.

MONDAY, JANUARY 3, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you are never likely to give up on something until you've run yourself into the ground trying to make it work in your favor -- and even then the lessons you learn in "failure" will serve you very well when you pick yourself up and launch into something new and just as challenging. For "challenge" is, for you, what makes life worth living.
TUESDAY, JANUARY 4
CAPRICORN (Dec. 22-Jan. 19) -- You may have to reach out to someone to make more meaningful contact today than usual. What you're after will surely be available to you.
AQUARIUS (Jan. 20-Feb. 18) -- Your ability to sense what is coming will serve you well today, though you must resist the temptation to tell others what you know.
PISCES (Feb. 19-March 20) -- You may be changing your work habits slowly, but the overall effect will be felt in almost all areas today. This a sure sign of progress.
ARIES (March 21-April 19) -- You must judge your performance today on its own merits; don't make the mistake of thinking you must compare yourself to anyone -- yet.
TAURUS (April 20-May 20) -- You may have trouble keeping calm as things around you do not fall into place as expected -- but losing control is never the right choice.
GEMINI (May 21-June 20) -- You can profit from another's mistakes today, but it's not necessarily something to be proud of -- or something to repeat, either.
CANCER (June 21-July 22) -- You may feel as though you are caught in something that you cannot make heads or tails of, hard as you may try. A friend lends a sympathetic ear.
LEO (July 23-Aug. 22) -- What you do today you will have to do quickly and quietly, without attracting attention. The reasons for such stealth are yours alone.
VIRGO (Aug. 23-Sept. 22) -- You can fulfill a promise today and give your friends exactly what they have asked for more than once. A certain reality begins to shift.
LIBRA (Sept. 23-Oct. 22) -- Someone's behavior may be affecting you in an unusual way. You'll be surprised by your own emotional response to something rather routine.
SCORPIO (Oct. 23-Nov. 21) -- You've earned the respect of those seeking assistance from you, but when you do what you know how to do, the response may be unsettling.
SAGITTARIUS (Nov. 22-Dec. 21) -- You can give someone some very good advice today, but by day's end, you're likely to realize you should take it, too. Progress is made.
