HOROSCOPES by Stella Wilder

WEDNESDAY, JANUARY 5, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you don't always know how to do the things you most want to do, but that's true with anyone, really, and all you have to do is remind yourself on a regular basis -- daily, if necessary -- that there's a first time for everything and that you can't be expected to be proficient at something you've never done! But the issue with you is more a matter of scale or degrees; you don't want to be proficient; you want to excel!

THURSDAY, JANUARY 6
CAPRICORN (Dec. 22-Jan. 19) -- Your unique perception of what is "normal" may come under attack today by those who are eager to change your point of view.
AQUARIUS (Jan. 20-Feb. 18) -- How you prove your point today matters less than your willingness to stand behind what you've said and done. Consistency is all!
PISCES (Feb. 19-March 20) -- You must go

about your business today with increased self-awareness. Others may wish to break your stride, but you can power through.
ARIES (March 21-April 19) -- You may come up against someone who has been preparing long and hard for this encounter. You're going to have to dig deep into your bag of tricks!
TAURUS (April 20-May 20) -- The ordinary and the extraordinary both vie for your attention throughout the day; your situation favors the ordinary, surely.
GEMINI (May 21-June 20) -- Now is no time to debate an issue that seems plain and straightforward to you. Instead, you may have to dive into something not yet quite clear.
CANCER (June 21-July 22) -- Your explanation of certain recent events may not agree with the "official" account. This must be resolved through certain channels.
LEO (July 23-Aug. 22) -- You may not wish to share your every thought with those around

you at first, but events transpire that invite you to open up in a new way.
VIRGO (Aug. 23-Sept. 22) -- The more caring and conscientious you are today, the more you will be rewarded when the time comes -- but be sure you're not pretending!
LIBRA (Sept. 23-Oct. 22) -- You may be fooled for a while by something that seems very much like the real thing, but direct interaction reveals the truth to you.
SCORPIO (Oct. 23-Nov. 21) -- Are you doing the kind of work that really engages your mind and satisfies your desire for real achievement? The answer is clear today.
SAGITTARIUS (Nov. 22-Dec. 21) -- Personal expression becomes far more important for you today than it has been in the recent past. Follow another's example if you dare.
