HOROSCOPES by Stella Wilder

FRIDAY, JANUARY 7, 2022
YOUR BIRTHDAY by Stella Wilder
Born today, you tend to be under the radar a great deal, free to go about your business with others being unaware of what you are doing or why -- and most of the time this suits you just fine, thank you very much! You don't have to bask in attention to feel valuable or important; you know what you are capable of, you know what it is you're trying to accomplish as you make your way through life, and you don't need anyone else's encouragement or criticism to help steer you in the right direction.

SATURDAY, JANUARY 8
CAPRICORN (Dec. 22-Jan. 19) -- A trip down memory lane does more than you expected, and certain details trip you up as you try to navigate what once was but is no more.
AQUARIUS (Jan. 20-Feb. 18) -- Engaging in open and honest talk is the best thing to do today when you don't know what to do.

Certain mysteries are no mystery at all.
PISCES (Feb. 19-March 20) -- You're likely to encounter someone today who seems to know your every move, but soon you'll realize there's more going on than meets the eye.
ARIES (March 21-April 19) -- Where there's a will there's a way -- so you must first work on really wanting the thing you think you most want. Don't deceive yourself!
TAURUS (April 20-May 20) -- You have originality going for you today, even when your experience doesn't compare to that enjoyed by the competition. Do what you think of!
GEMINI (May 21-June 20) -- A current problem isn't going to vanish simply because you wish it would, and running away from it won't work either -- not today!
CANCER (June 21-July 22) -- You're growing tired of that feeling that resides within that you simply cannot evict no matter what you do. You know who to call today.
LEO (July 23-Aug. 22) -- Someone you thought was on your side may not be good for you right now. You need to fight against the status quo today, not lean into it.
VIRGO (Aug. 23-Sept. 22) -- You know who has been pressuring you into doing something you don't want to do, and the time has come to take firm and direct action.
LIBRA (Sept. 23-Oct. 22) -- You cannot avoid all conflict today, but you can surely do something to ease tensions between yourself and a rival. Take a chance!
SCORPIO (Oct. 23-Nov. 21) -- Your mind has been taking you back to a time when things were "better" -- but is that really the case? Was it better, or is it merely a mirage?
SAGITTARIUS (Nov. 22-Dec. 21) -- You're going to have to ask yourself some difficult questions before the day is out, and you cannot expect to find the answers right away.
