JANUARY 12, 2022

tonight's best

Drew Carey

8 p.m. on CBS
The Price Is Right at Night

There's a reason "The Price Is Right" is the longest-running game show in TV history, and the occasional nighttime editions of the series nearly always draw a big audience (and feature bigger prizes!). Host Drew Carey definitely has his heart in the right place with this newest prime-time special, which celebrates first responders, inviting those selfless and tireless souls to "come on down" and compete for some life-changing showcases.

9 p.m. on E!
Relatively Famous: Ranch Rules

Eight celebrity offspring take the ride of their lives on a working ranch in Steamboat Springs, Colo., in this new docuseries. Technically, they're tasked with restoring and reopening Saddleback Ranch after a pandemic-imposed year of shutdown and loss, but these fish out of water have one misadventure after another. The participants include Hana Giraldo, daughter of Pat Benatar and Neil Giraldo; Martin Lawrence's daughter Jasmin Lawrence; Harry James Thornton, son of actor Billy Bob Thornton; Taylor Hasselhoff, David Hasselhoff's daughter; Shaquille O'Neal's son Myles O'Neal; and Redmond Parker, son of actor-musician Ray Parker Jr.

9 p.m. on FOOD
Worst Cooks in America

In the new episode "Worst Cooks Warriors," the recruits are stunned to see their boot camp transformed into a gladiator-style arena, until mentors Anne Burrell and Cliff Crooks explain that a successful chef needs a combination of stamina, speed and a refined palate. In the skill drill challenge, the rookies must prepare a tasty falafel platter. Then, in the main dish challenge, they're tasked with mastering a flavor-packed dish known as chicken adobo.

9 p.m. on NGE0
Trafficked With Mariana van Zeller

More than 750,000 cars are stolen annually in the United States. That works out to roughly one every 42 seconds, and many of the hot autos are swiftly shipped to locations overseas. The new episode "Stolen Cars" finds host Mariana van Zeller chasing down the parties who profit most from this surprising transcontinental supply chain, including an especially hot demand for stolen vehicles in West Africa.
