9 p.m. on SHOW Movie: Ray Donovan: The Movie

After seven seasons, this acclaimed crime drama calls it a wrap with this two-hour movie finale, which picks up the action pretty much where Season 7 left off. Mickey Donovan (Golden Globe winner Jon Voight) is in the wind, but Ray (Liev Schreiber) vows to do whatever it takes to find his volatile father and stop him before the old man can cause even more carnage. The film also interweaves Ray and Mickey's origin story from 30 years ago with present-day fallout from the long-running Donovan-Sullivan feud.
