**HOROSCOPES** by Stella Wilder

THURSDAY, JANUARY 13, 2022  
YOUR BIRTHDAY by Stella Wilder

**BORN TODAY**, you have a knack for being precisely where you need to be at any given moment to maximize your chances for success -- and this doesn't mean success is a given, certainly! Indeed, like all Capricorn natives, you will have to work hard for what you want -- and in order to be effective, you're going to have to have a plan, or many plans, ready to go at a moment's notice, because you never know when the perfect opportunity is going to present itself to you.

**FRIDAY, JANUARY 14**  
**CAPRICORN (Dec. 22-Jan. 19)** -- You are feeling capable and self-possessed right now, and you'll want to take advantage of all that. An opportunity sneaks up on you.

**AQUARIUS (Jan. 20-Feb. 18)** -- The unintentional takes on much greater importance today than usual, perhaps -- but in any event, it will certainly be noticed by many.

**PISCES (Feb. 19-March 20)** -- Are you content to have things continue as they are, or are you ready and willing to put up a fight to see the status quo changed?

**ARIES (March 21-April 19)** -- Thinking and feeling will both play important roles today, and you'll have to juggle many things very carefully between the head and the heart.

**TAURUS (April 20-May 20)** -- First impressions aren't likely to be accurate today -- or at the very least they will not convey all pertinent information. Dig deeper!

**GEMINI (May 21-June 20)** -- You seek the truth, but you know that there are only certain paths that you may take at this time. Trying to open up another invites chaos.

**CANCER (June 21-July 22)** -- Patience combined with curiosity will yield the answers you seek. All you have to do is put yourself in the right place at the right time.

**LEO (July 23-Aug. 22)** -- You'll have what it takes to do what has to be done today -- but solving a stubborn mystery will require you to engage the help of a friend.

**VIRGO (Aug. 23-Sept. 22)** -- The moment you banish fear, you will be ready to take on the challenge that is currently facing you. Fear works against you at this time.

**LIBRA (Sept. 23-Oct. 22)** -- You are eager to protect yourself and others today from dangers seen and unseen. You must put yourself at the front of the pack right away.

**SCORPIO (Oct. 23-Nov. 21)** -- Everyone seems to know what you are trying to learn -- or that you simply not willing to acknowledge that those roles are reversed?

**SAGITTARIUS (Nov. 22-Dec. 21)** -- Decisions made quickly have lasting repercussions, but today's events may seem fleeting. The things you have to do matter most to you.
