Bridget Everett

10:35 p.m. on HBO
Somebody Somewhere

Comic and singer Bridget Everett stars in this new seven-episode comedy series as Sam, who may look like a generic Kansan to the untrained eye. The truth is very different, though: Sam feels like an alien to others in her hometown, especially since she's struggling with issues of loss and acceptance as the series opens. Singing is her refuge, an act that leads her on a journey to find herself, and a community of other outsiders who share her "otherness."

Winter is here!
Cold weather can mean icy spots in shaded areas!
