James Rutenbeck

9 p.m. on BRAVO Summer House

After spending last summer quarantined together, the housemates of this unscripted series are back to hustling at their New York jobs during the week, then hitting the Hamptons on the weekends for a social whirl as Season 6 opens. Lindsay Hubbard, who is at a major personal crossroads, returns, along with Paige DeSorbo, Kyle Cooke, Amanda Batula, Carl Radke, Danielle Olivera, Ciara Miller and Luke Gulbranson. New friends to the group include Andrea Denver, Mya Allen and Alex Wach.

9 p.m. on HGTV Tough Love With Hilary Farr

In a new episode called "Two Generation Renovation," a homeowner's well-meaning attempt to build an addition for her aging mother backfires horribly when the contractor pulls a no-show. With the whole renovation hanging in the balance, it's up to host Hilary Farr to remedy both the home and tense family dynamic before the walls close in.

11 p.m. on PBS Independent Lens

Filmmaker James Rutenbeck set out to make a high-minded documentary about how engagement with the humanities can transform the lives of those facing economic hardship and its attendant challenges. After spending a few years among students in his target area of focus, however, Rutenbeck realized his film's premise was gravely flawed and reflected his own complicity in racist structures and assumptions. "A Reckoning in Boston" chronicles the filmmaker's epiphany.
