A Great Learning Tool for Young Readers!

HOROSCOPES by Stella Wilder TUESDAY, JANUARY 18, 2022 YOUR BIRTHDAY by Stella Wilder Born today, you are likely to find your special "niche" in life relatively early on and remain true to it throughout your lifetime. What this may be, however, will be anybody's guess until you have discovered it for yourself, for you will seem quite capable of many things when young, and you will be eager to explore as many of them as possible while you have the energy and freedom to do so. WEDNESDAY, JANUARY 19 CAPRICORN (Dec. 22-Jan. 19) -- You can be more productive today than you had anticipated, so you will want to have several ideas queued up and ready to explore. AQUARIUS (Jan. 20-Feb. 18) -- Information you receive from another can be put to excellent use today, and you shouldn't have to spend much energy on interpretation. PISCES (Feb. 19-March 20) -- You receive a message that seems at first reading to be something of a threat, but if you alter your perspective, it's really nothing of the kind. ARIES (March 21-April 19) -- You may think you're going to have trouble fitting everything in today, but the reality is likely to be much easier than what you expect. TAURUS (April 20-May 20) -- You cannot proceed with a certain endeavor without having the right help -- and that can be provided only by the right person. Seek them out! GEMINI (May 21-June 20) -- You may have to state your preferences very clearly today in order to be understood. Know that you can influence things only so much, however. CANCER (June 21-July 22) -- You may choose to reverse course today for reasons that are purely your own. Though others may not understand, they must accept your decision! LEO (July 23-Aug. 22) -- You needn't be too aggressive today as you strive to persuade others that your point of view is more valid than theirs. Does it matter that much? VIRGO (Aug. 23-Sept. 22) -- You may be letting someone's actions get under your skin too much today. This is a perfect time to let bygones be bygones -- if you can! LIBRA (Sept. 23-Oct. 22) -- Hidden influences are moving you in a direction you would not choose for yourself -- if you had a choice. You'll have to go with the flow! SCORPIO (Oct. 23-Nov. 21) -- A friend is likely to approach you with an unusual offer, and you'll want to avoid reacting before you give it some serious thought. SAGITTARIUS (Nov. 22-Dec. 21) -- You mustn't let a compliment go to your head today. A realistic stance is essential at this time, no matter what comes your way.
